TEASE!

THIS · MONTH · IN · CLUB

Meanwhile in Dallas... Outside on the terrace of the family ranch, Mouthfuck, porn tycoon UR Screwing angrily flicked through the pages of this month's Club.

"Have you seen this?" he said, flinging the magazine at his good-looking brother, Knobby Screwing. "These Club guys have struck the richest seam of gorgeous gals in the world, and we ain't even had a look-in! These dames are guaranteed gushers! We'll be the laughing stock of the Skin Baron's Ball.

"Just look here, Knobby. Toni Shilletto's got even bigger tits than that massive mammed midget niece of yours, and as for the centrefold Racquel's sweet little butt... it's beautiful. The only tight asshole we've got is Stiff Barnes!

"Then there's that Ginny girl doing just whatever the readers want to fantasize about. This month she's riding her bike in the tightest pair of shorts you've ever... phew! Pass me that bourbon, Knob. We've gotta get that girl over to our side."

Tiffany's a temptress

Toni Shilletto's our Page 3 raver

"You're right, UR!" said Knobby, living up to his name as he scanned Club's pages. "It's a good job it's also got all these crappy jokes in it as well, otherwise we'd go bust tomorrow. Hey, they've also got an interview with Billy Idol. I love him. With a rebel yell, she wants more, more, more..."

"Oh, for Christ's sake, Knob!" shouted UR. "I reckon if Club magazine continues like this we'd better go into something else like - "

"Oil?" suggested Knobby.

"No, we need a real big earner."

"A crappy TV soap opera?"

"Brilliant!"

Da-da, da-daaah, da-da-da-de-dah-dah...

Tune in again next week, when UR discovers that most intelligent people in the world also prefer reading Club to watching shite on TV, and the series is axed. Meanwhile, settle down with our dynamic dynasty of young and restless sex queens as they fling off their shoulder pads.

the girl you've asked to see

Vol 19 No 8's favourite Victoria certainly was amused when she read the overwhelming pile of fan mail that dropped into the office after her Club appearance. "I couldn't believe it," she told us. "Some of the letters were so dirty - just the way I like them! I bet none of you would believe what I was doing to myself when I read them either..." Perhaps not, but we, especially her fans David of Colchester and Steve of Horncastle, are having a bloody good time trying to imagine it! ♣

Bank On It

I've never written to a magazine with a story like this, but it is definitely worth telling. This event took place after my first year at college. I was back home for the summer working for some spending money. My job was being a temporary cashier at one of the local banks. I loved the job because there were several good looking women who worked there.

The lady who caught my eye particularly was a secretary to one of the loan officers. She was in her mid thirties but had the body of an 18-year-old. She was recently divorced but obviously out of my league. For one thing she was 15 years my senior, and for another I didn't even think she knew my name.

One day about halfway through the summer, I was helping move some old files down to the basement where they were stored. On my last trip down, guess who I literally bumped into!

Every one of the files ended up on the floor. I was so embarrassed I couldn't speak. As she was helping me gather the files back up, her hand kept brushing mine. I finally looked up and she was looking straight at me with a strange smile on her face. She then told me that she knew I had a crush on her and she was very flattered. She said I could come round to her house that night if I wanted, then turned and walked back up stairs, leaving me speechless with disbelief.

The rest of the afternoon crawled by, and in the early evening I found myself at her front door. When it opened, I realized that my ultimate fantasy was becoming reality.

She stood there with sex radiating from her body. She wore a small, black, lacy nightie with black stockings and high heeled stilettos. She had a bronze summer tan and her breasts were very large for her petite frame. Before I crossed the threshold of that door, my cock was as rigid as it had ever been. I couldn't believe the effect she already had on me.

Without a word, I followed her straight to her bedroom. She turned and began to undress me. She gasped as my seven and a half inches sprang forth. Pushing me back so I was sitting on the edge of the bed, she knelt in front of me and began to breathe her hot breath on my cock and balls. She then began to plant wet kisses all over my cock's veiny shaft and swollen balls, and before I knew it she had the bulbous purple head in her mouth.

She began to work her head back and forth slowly and rhythmically. It was like nothing I had ever experienced. She got so much of my length in her mouth that she was licking my balls with her tongue. Then she increased the tempo and it was more than I could take. I pulled my cock from her mouth but she wrapped her fingers around it to keep it right in front of her beautiful face. After two strokes with her hand, the first ribbon of hot, white jism shot from my aching balls.

It went straight into her throat and she swallowed hungrily. A total of five more streams shot out after the first. Some followed the first down her throat and some streaked her beautiful neck and bronze shoulders.

She then stepped back and slowly stripped away her sexy garments one by one. Her breasts were classic; large yet firm, with big pink nipples that yearned for a warm, wet tongue. When she removed her lacy panties, my dick immediately jumped back to attention. She had shaved her cunt totally except for a small triangle just above her pouting labia.

It was my turn to lay her back on the bed. I started with her breasts. I licked, sucked, and nibbled each of her swollen nipples until I felt her pussy literally dripping her sex juice. I then kissed my way down her flat stomach to the most incredible quim I've ever tasted.

It was so smooth and wet that I just couldn't get enough. I opened her fleshy petals and sank my tongue deep in her love hole. Her chest was heaving up and down. I then began to concentrate on her clitty. I worked on it for all I was worth, and her moans became louder and louder. Finally, she began to shudder and buck. Her pussy nectar flowed freely and I lapped it up as fast as it came out.

Dear Debra,

I don't know what it is about you that excited me most; your beautiful, silky, blonde hair, your pert tits and nipples, that lusciously hairy love box, those long legs in the soft silk stockings, or those big, come-to-bed eyes that say it all about your horny body.

Ever since I saw you, Debra, I've been fantasizing that you are kneeling between my legs, unzipping my trousers and unbuttoning my shirt, letting those long, red, talon-like nails rake over my chest as you trail your red lips down my body, till your

APOLOGY

This month's apology is brought to you in association with National Power and Powergen. The Ed is sorry, but he still hasn't got a fucking clue who they are.

It's all very well having Brian Moore droning out your name before every commercial break in the World Cup last summer, and sponsoring the weather forecast, which is always crap anyway, but what the fuck are they selling?

Was it only July when Peter Purves (winner of our special trophy for the owner of the worst toupee of Italia 90) was telling us that while everyone else gave us only 40%, National Power provided 60%. 60% of what? His denture cream?

We admit it. Not even the Ed's stupid enough to be unaware that it's something to do with privatizing electricity. Presumably this means that as well as the execrable Beattie from BT, we'll have to endure some similarly senile old shitface from the Electricity Board.

"Ooh, Mervyn, I just popped round to check that you'd turned enough lights on..."

We are not apologising for advertising the fact that we think these people are all prats. And *that's* brought to you in association with Club.♣

blonde locks are spilling over my boxer shorts. You give me an unbelievably sexy smile as you pull them down, and I almost hit you in the face with my whopping hard-on.

You take matters in hand then, beginning to wank off my stiff member, slowly at first, then faster so that your shiny fingernails become a red blur and your other hand tickles my balls. I start to pant as I'm close to coming, but you push your tongue out to lick the tip of my cock, then put your lipsticked lips around and suck it. It's not long before I shoot a torrent of spunk. - *Nigel, Londonderry*

I think it's very important to keep my hands and nails beautiful, Nigel - after all, I know just what effect they can have on guys like you. I love to run my fingers through a bloke's chest hairs, feeling my nails tangling in there, and then tease his nipples with my thumbnails. That always guarantees a big stiffy - and I always know what to do with that as well! - **Debra**♣

Next, she rolled over on to her hands and knees and presented me with an incredible view of her arse and sopping pussy. By now I was throbbing again so I sank my cock to the hilt from behind. She gasped and grabbed on to the headboard, rocking back and forward. I began to meet her thrusts with my own.

We rocked and rolled for ten minutes until her quim

Our 19-year-old Eleanor may not be a familiar face to you just yet, but we reckon with looks like hers it's only a matter of time before she makes a return visit.

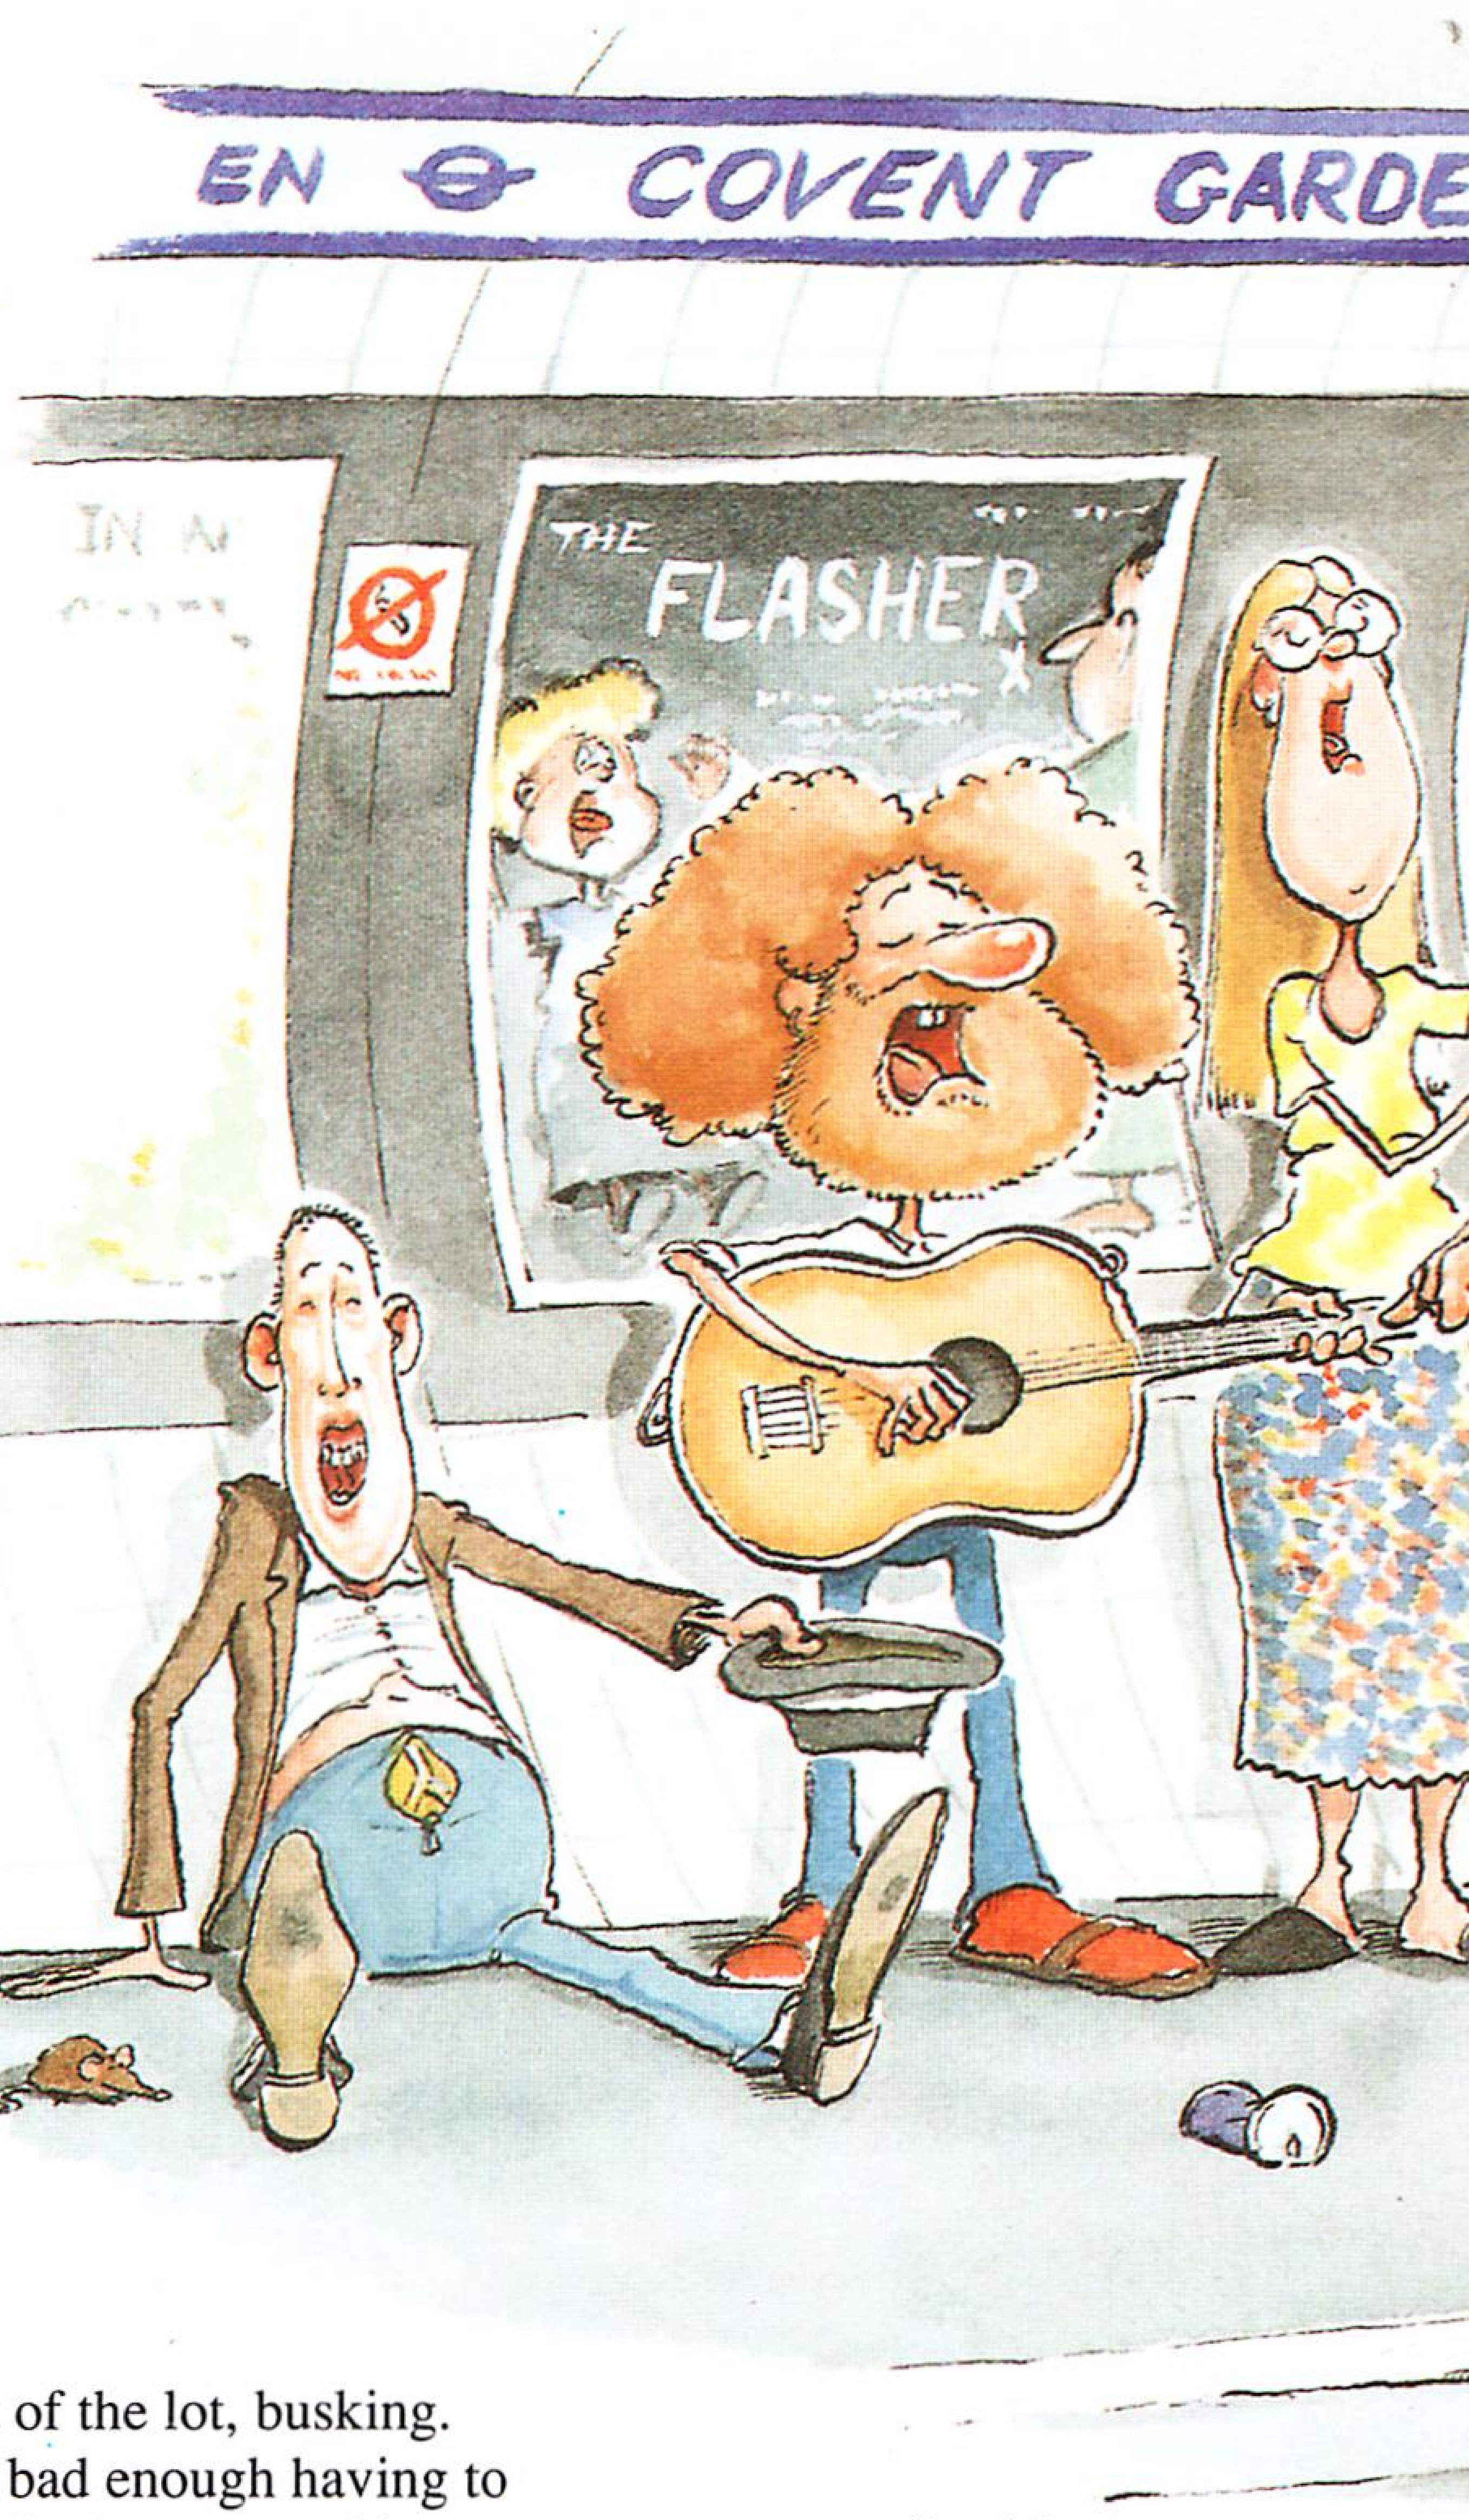
"A girlfriend of mine was in Club recently," she told us. "That's how I got this job in the first place. I don't normally take my clothes off for a living - I work behind the counter at the Post Office! But this girl I know did some

modelling for Club a couple of months back, and since then she's had sackloads of mail from guys, ranging from the ones who wanted to take her out and show her a good time, to those who wanted to marry her.

"I can tell you, she took up more than a few of those offers - and her feet haven't touched the ground since... if you know what I mean!"♣

GOBBLE!

If you're looking for a spot of culture, then Club's the place to come. This month, our very own Phantom of the Opera ***Nathaniel Fatbastard*** *takes in the delights of Covent Garden - and the sopranos' basso profundos...*



I've always been proud of London's boys in blue - and I don't just mean the porn merchants. Many a time I've lent my support to a flagging policeman's ball, and I've lost count of the number of functions I've performed in the exclusive Met Social Club.

However, I must admit to being a bit disappointed in them the other day. The bastards booked me.

I had just left *Bangham's Brassiere* (153, Old Star St, London W1) after a sumptuous repast. I started with smoked salmon (£12.99), washed down with a litre of old Mattress Rose (£24.50). For a main, I went mad and had the Beef Wellington (£19.95), as the chef there has a BSE for his work with meat. I accompanied that with another litre, this time Australian Burgundy (£7.99). Made in Bogga-Bogga, a suburb of Sydney, it had a bigger bouquet than the Queen Mother'll get on her 200th birthday - which was just as well as the beef dish obviously got its name from tasting like a farmer's boots.

Then I worked my way through the dessert trolley with a Spanish Sauterne; and as I always say when I'm arseholed, one good sauterne deserves another, so I managed two bottles before the brandies and those anorexic mints arrived.

OK, so I was a bit wobbly when I got to my new car. It's a Yugo Wong 4 x 4 but I call it a Golf - because after a short drive, it goes put-put-put. I'd just got in when suddenly all I could see was navy blue sky and twinkling stars. It turned out to be the serge uniform and silver buttons of 22 stone WPC Grabham.

She leaned on the side of the car, one massive mammary getting wedged in the window, then undid her breast pocket.

"Would you breathe in here, sir?" she demanded. It was a relief to see the breathalyser come out. "And I'll need a urine sample too," she added.

"No problem, darling," I said, whipping it out and soaking her stockings and size tens with a steamy yellow brew that definitely wasn't Darjeeling.

As she squelched her way back to the car, I knew even the most monumental mason would have wound up with more points than a hedgehog with a hard-on. Me - I lost my licence. The result is that now even the great Nathaniel Fatbastard has to rely on the buses, London Undermanned and NotWork Southeast to get around - even for my recent trip to the opera.

Things have changed since my last sentence on public transport. They've painted the trains - it was easier than cleaning them. They've also banned smoking on the tube. Unfortunately they still allow pissing, shitting, puking, farting, spitting, fighting and, worst of the lot, busking.

It's bad enough having to stand for hours watching a dot matrix sign tell you there are three trains all four minutes away (presumably fighting to squeeze down the same tunnel) without some bearded brain death wailing *Knockin' On Heaven's Door*. If it's not that, it's some shit dressed like a 1972 Foster

TOP TITS

Powawamma, boob dudes! It's Woppertello the Middle-aged Mutant Tit-lover here. I've come up from the sewers after somebody poured pornographic waste down the toilet, turning me and my colleague Leon Hard-on, into superheroes. It's our job to protect the world from the evil of boring female clothing. No more baggy cardigans, and farewell woolly pullies! We are the booby heroes of the half cup.

Take basques, for instance. All too often they are hidden under heavy dresses. We say they should be worn on their own. We're basque separatists! We say, "Freedom for the Bristol Two", or failing that, they should be put in somewhere more open with unrestricted visiting. A waspie, for instance.

Big ones, little ones, medium sized ones that are firm and juicy - we Middle-aged Mutant Tit-lovers (excluding Shreddie the underpants fan) will defend their rights (and lefts).

So why not join us, dudes? Buy our range of Mutant Mammary merchandising, starting at £30.95 and only available in Tits R Us. Fancy a pizza? - ***Woppertello (alias George Breast)*** ♣

Brothers window during the seconds sale reeking of recently returned cider and asking you if you have any spare change. How should I know - I haven't finished living yet.

Due to staff shortages, misplaced rolling stock, and a squashed Yuppie on the line at Clapham, I arrived at the Royal Enema House, Covent Garden, only slightly after a tetraplegic tortoise on Valium. I've never been a great fan of opera, but like many others bought that CD of Luciano Fattigutti singing the *World Cup Grandstand* theme to annoy the neighbours. When I heard that he, along with Placido Fettuccine and Dame Kiwi Te Canopena, were doing *Don Giovanni,* I thought I'd go for a singalong. Trouble was, the place was full of cunts.

"I say, Gerald," trilled a horrendous harridan in a coat made entirely out of an endangered species. "Did you see Wagner's Ring last week? The way the baritone entered was breathtaking. Of course, I'm only here to see Dame Kiwi's opening arias. They say she can flood the whole theatre."

After a couple of handfuls of £3.50 whisky and soda (I find I can hold six by slipping the stems between my fingers), I bought a 2lb box of Wadbury's Dairy Mix (£9.50) and a programme (£10 for 12 pages of ads for Mercedes dealers). Flicking through, squeezed between black and white pictures of the vast Dame Kiwi (whose bust looked like a two-seater settee that needed re-upholstering), I found they' d written out the plot.

For the benefit of Club's less well educated readers, it turns out that Don Giovanni is a randy bastard with a 20 inch dick who shags every woman that moves, especially other blokes' wives. When one girl's dad gets a bit pissed off, he kills the old bugger in a duel, and carries on fucking everyone in the village. It's only then that the wimpy hubbies get together and come after him.

So Dirty Don stitches up his best mate by letting him to dress up as him, saying he's on to a dead-cert shag. Unfortunately he doesn't get away with it. The old cunt he killed comes alive again and drags him down to hell. Fucking stupid ending, but I was looking forward to the bonking scenes.

When the curtain eventually opened, I was well pissed off. First of all, the tarts he was meant to be shafting up the *basso profundo* were as old and crumbling as the Tower of Pisa, and about as well built. They were so vast and wobbled so much, it was like watching hot air balloons in a hurricane. Worse still, they were all singing in bloody Wop. What an insult to the audience! I thought, if the bloody writers can't even be bothered to translate it for sale abroad, it must be a load of old shite. So I left.

I was still seething when I got off the tube. So much so, I didn't notice a pile of born-again beef supper on the tiled platform. I slipped and landed with a splat. The smell was vaguely familiar - *Boeuf de Vin aux Poivres* (£9.85) from the Aberdeen Meat House in Shaftesbury Avenue, unless I was very much mistaken. I'd had it just three days ago, but you'd have thought they'd have got round to clearing it up by now. ♣

PLUG!

Stardate: September 1990 - this month's brown-nose *Plug!* mission is to boldly wear what no-one has worn before! *(Groan - Ed.)* After battling it out with Klingons, facing the wrath of some geezer called Khan and all the while having to put with that irritating little Scots git whining, "Aye canna hold her, Captain!", Captain James T. Kirk and crew are to finally get their reward. They're featured in Club.

Yes, this month finally sees the release on to the fashion market of an 'Enterprising' *(Ed bangs his head against the wall continually)* new range of Star Trek T-shirts and badges. So not many warp factors away, you too could be adorning your chest with mugshots of Spock, Kirk, McCoy, and best of all, Lieutenant Uhura. Unfortunately she doesn't get her tits out, but in space you can't have everything.

So get your log books out and make a date with the Trekkies. Best of all, the shirts come in extra large sizes, and at this very moment Lt Dominant Dowse's chest is proudly declaring that she has 'Phasers On Stun'. A logical purchase, Captain. *(Christ almighty, beam me up, Scotty - Ed.) Details of all merchandise from Forbidden Planet, 71 New Oxford Street, London WC1 1DG.*♣

ginny

Hi lads! Glad to see you're back with me for another month at Club - and have I got a fantasy for *you* this month!

Now, you know I'm not really a sporty girl - except in the bedroom - but when it's a hot summer like this year was, I do like to put on my tight cycling clothes and go for a ride on my bike occasionally. It's hard to describe how excited I get feeling that hard saddle pressing into my bum cheeks, and knowing that my wet little pussy lips are moulding themselves to it. I quite often go into the countryside near where I live and go for a

good, hard ride!

Obviously I get quite hot and bothered, so I'll often stop in a field and lie down, my legs spread and my hair flung back, feeling the breeze moving over my hot skin. And that's when I strip off and play with myself.

Peter, a fan of mine from Luton, wants to see me recreating that. He wrote to me: "You're so gorgeous, Ginny, that I know I'd fancy you whatever you were wearing, but what I most want to see you in is a cycling outfit: a tight, figure hugging pair of shorts that show off your bum, and one of those skimpy tops that just about cover your boobs. And what about one of those cheeky little peaked racing caps just to top things off?

"When you've got dressed up like that, I'd gaze at those pictures for a while, stroking my cock, before watching you slowly strip - preferably in public!"

Well, I don't want to get myself arrested, Peter (and all you others who wanted to see me in my cycling gear), so I did this shoot in the studio. And I must say that I found it very horny posing with the saddle or the hard crossbar between my thighs. By the end of the shoot I was rubbing myself along it quite frantically...

Now that it's nearly winter, I can't go out on any of my cycle rides, but next summer I'll be back in my tight shorts again. If you live in Cheshire, keep an eye out for me! ♣

If you want Ginny to fulfil your fantasy, then write to her: Ginny, Club International, 2 Archer Street, London W1V 7HE. She'll do what you ask!

letters

Yes, you can write to your very own favourite girl right here at Club - and she finds all your letters pretty exciting, we guarantee!

Dear Ginny,

Congratulations on being the new Club fantasy girl. Your body is absolutely delightful, and your air of innocence would be perfect for a favourite fantasy of mine.

You're a traveller arriving from abroad, and I'm the Customs Officer at the airport. Although you have nothing to declare, I know what's hiding under your clothes, and so I insist on a thorough body search. Off come your smart two piece business suit, sheer blouse, slip, bra and panties - and it's then that you admit that you have *everything* to declare!

Need I go on? I'm sure you can guess what happens next!

- Michael, Bury St Edmonds

What I declare is, Michael, that I got incredibly horny when I read that letter! One of my secret turn-ons is to have what I call 'surprising sex' - I get it when I least expect it! I can imagine you as that Customs Officer in your dark uniform, your hands frisking me lightly as I strip down until I'm naked, before you take me off to the interview room for further investigations. In fact, that's such a horny idea I'm going to book myself a holiday - at Gatwick airport!

Dear Ginny,

Although it's not more than an hour since I last wanked over your photoset in Vol 19

No 7, I can feel my cock straining again inside my boxer shorts. My balls are tightening up and are ready for more spunking.

As I stare into your eyes on the page you become real for a few magic moments in my imagination. I approach you gently from behind and press my mouth to your gorgeous, pouting lips. By now my cock is glistening, thick and stiff, the end red and engorged. I run my hands over your delicious arse, and take one of your thighs in both my hands and massage it before moving on and giving your pussy the attention it deserves.

By now your juices are flowing, so I rub my finger around your cunt. Then my middle finger slides easily into your twat, and you cry out in pleasure as I hit on your G-spot. But my cock is almost at bursting point. You guide it to its goal and it fills you up like you've never been filled before. I clasp your hips just under your suspender belt while you fondle my balls, which drives me into a frenzy of thrusting. You sob and moan in ecstasy and shudder to orgasm as I empty my balls inside you.

Now I'm brought back to reality with a bump, like waking from a wet dream. All I can do is to ask you to keep fulfilling my fantasies. - *Ian, Horsham*

You sound like a guy who really knows what he's doing between the sheets, Ian. That's just what I like, a sensitive lover. One who makes sure that his lover is having as good a time as he is. I'd love to feel your hard, pulsing cock inside me, filling me to the brim with your cream. So keep it hard while you're looking through this month's photoset.

Dear Ginny,

I've kept meaning to write to you ever since your very first Club appearance, but the photos that finally prompted me are those in Vol 19 No 7. They're fantastic!

You're my ideal dream woman - long hair, lovely mouth, gorgeous pussy, and best of all, your bum. Ever since opening the magazine my cock has been desperate to have you doggy style.

As a result, my fantasy request is simple - just pictures and pictures of that beautiful bum! Dreaming of you... - *Alan, Solihull*

Life's never given me a bum deal, Alan, I've made sure of that! I take good care of my rear because I know it's one of my best features. Men and women are always admiring it, and there's nothing I like better when I'm walking down the street in my tightest jeans than to be wolfwhistled. So I'll be pampering my bum every day so that I can always show it off in Club.

Dear Ginny,

I don't know how many letters you get from girls, but I just had to write and let you know the effect you have on me. My girlfriend Lynda and I often lie in bed frigging over your pictures and imagining you joining us for a threesome.

Our special fantasy would be for you to walk through the door wearing the outfit of a debonair City gent - pinstripe suit, bowler hat and umbrella, braces and a striped, crisp shirt. But soon you'd be stripping to reveal only a fishnet bodystocking beneath, pressed tight against your beautiful boobs and sopping pussy.

When we think of you like this, Lynda and I can hardly keep our hands off each other - our cunts are soaking and our nipples are on fire. Please Ginny, make our dream come true! - *Louise, Balham*

It's great to know that girls fancy me as much as guys do. Everyone knows women have the best taste, after all! I must admit that I've never had sex with another women, though I did have a few little finger-fucking sessions with a good friend of mine a couple of years ago. Women always know their own bodies so well, that I can imagine it must be a very easy and pleasurable transition to another woman's body. If there's any randy girl out there who'll volunteer to show me the ropes, I'll tell you all about it in Club! ♣

GRIPPING YARNS

NICKERS OF THE REMOVE

A topping tale from the school where boys become gentlemen, where the cornerstones of England are laid - where Nicholas "Nickers" Nixon and his chums join forces to save Britain from the horrors of the Hun.

Nicholas "Nickers" Nixon is the champion winkler of the 4th Remove at the Etonbush Academy For Chaps. At the start of the summer term a new under-matron, Miss Heidi Thighs, arrives at the school, and Nickers finds his suspicions being aroused. Surely with her foreign accent, French knickers and perky bosums, it's odds on that Miss Thighs is spying for the Kaiser?

Nickers and his chums are determined to get to the bottom of things. To this end they have sneaked into the under-matron's bedroom during recess and are sniffing round her drawers for clues. Now read on...

"Crikey!" exclaimed "Stonker" Motson. "What's this?" He removed a mysterious silky-looking item from the under-matron's chest and handed it to Nickers.

His chum rubbed his chin thoughtfully as he examined the elasticated, lace-trimmed object.

"Cripes!" he ejaculated suddenly. "It looks like this could be the cunning Huns most devilish invention yet." Setting his jaw firmly, Nickers held the two loose ends of elastic and pulled back the twin scoops of frilly satin that formed its centre.

"Crumbs!" the chaps of the 4th Remove cried in unison. "A double-barrelled catapult!"

"It looks like a bra to me," muttered "Stinker" Prole. The chums ignored him. He was a scholarship oik from a poor family and therefore could not be expected to know anything about international espionage.

At that moment "Fatso" Tubbyfucker, who had been keeping watch in the matron's passage, came wobbling into the room.

"Yaroo! Yaroo!" he squealed. "Under-matron's coming!"

"Blimey!" the chums chorused.

"We'd better hide in the wardrobe," Nickers said decisively. "All except you, Prole. You throw yourself out of the window."

"But Nickers," the scholarship oik protested, "we're on the fifth floor."

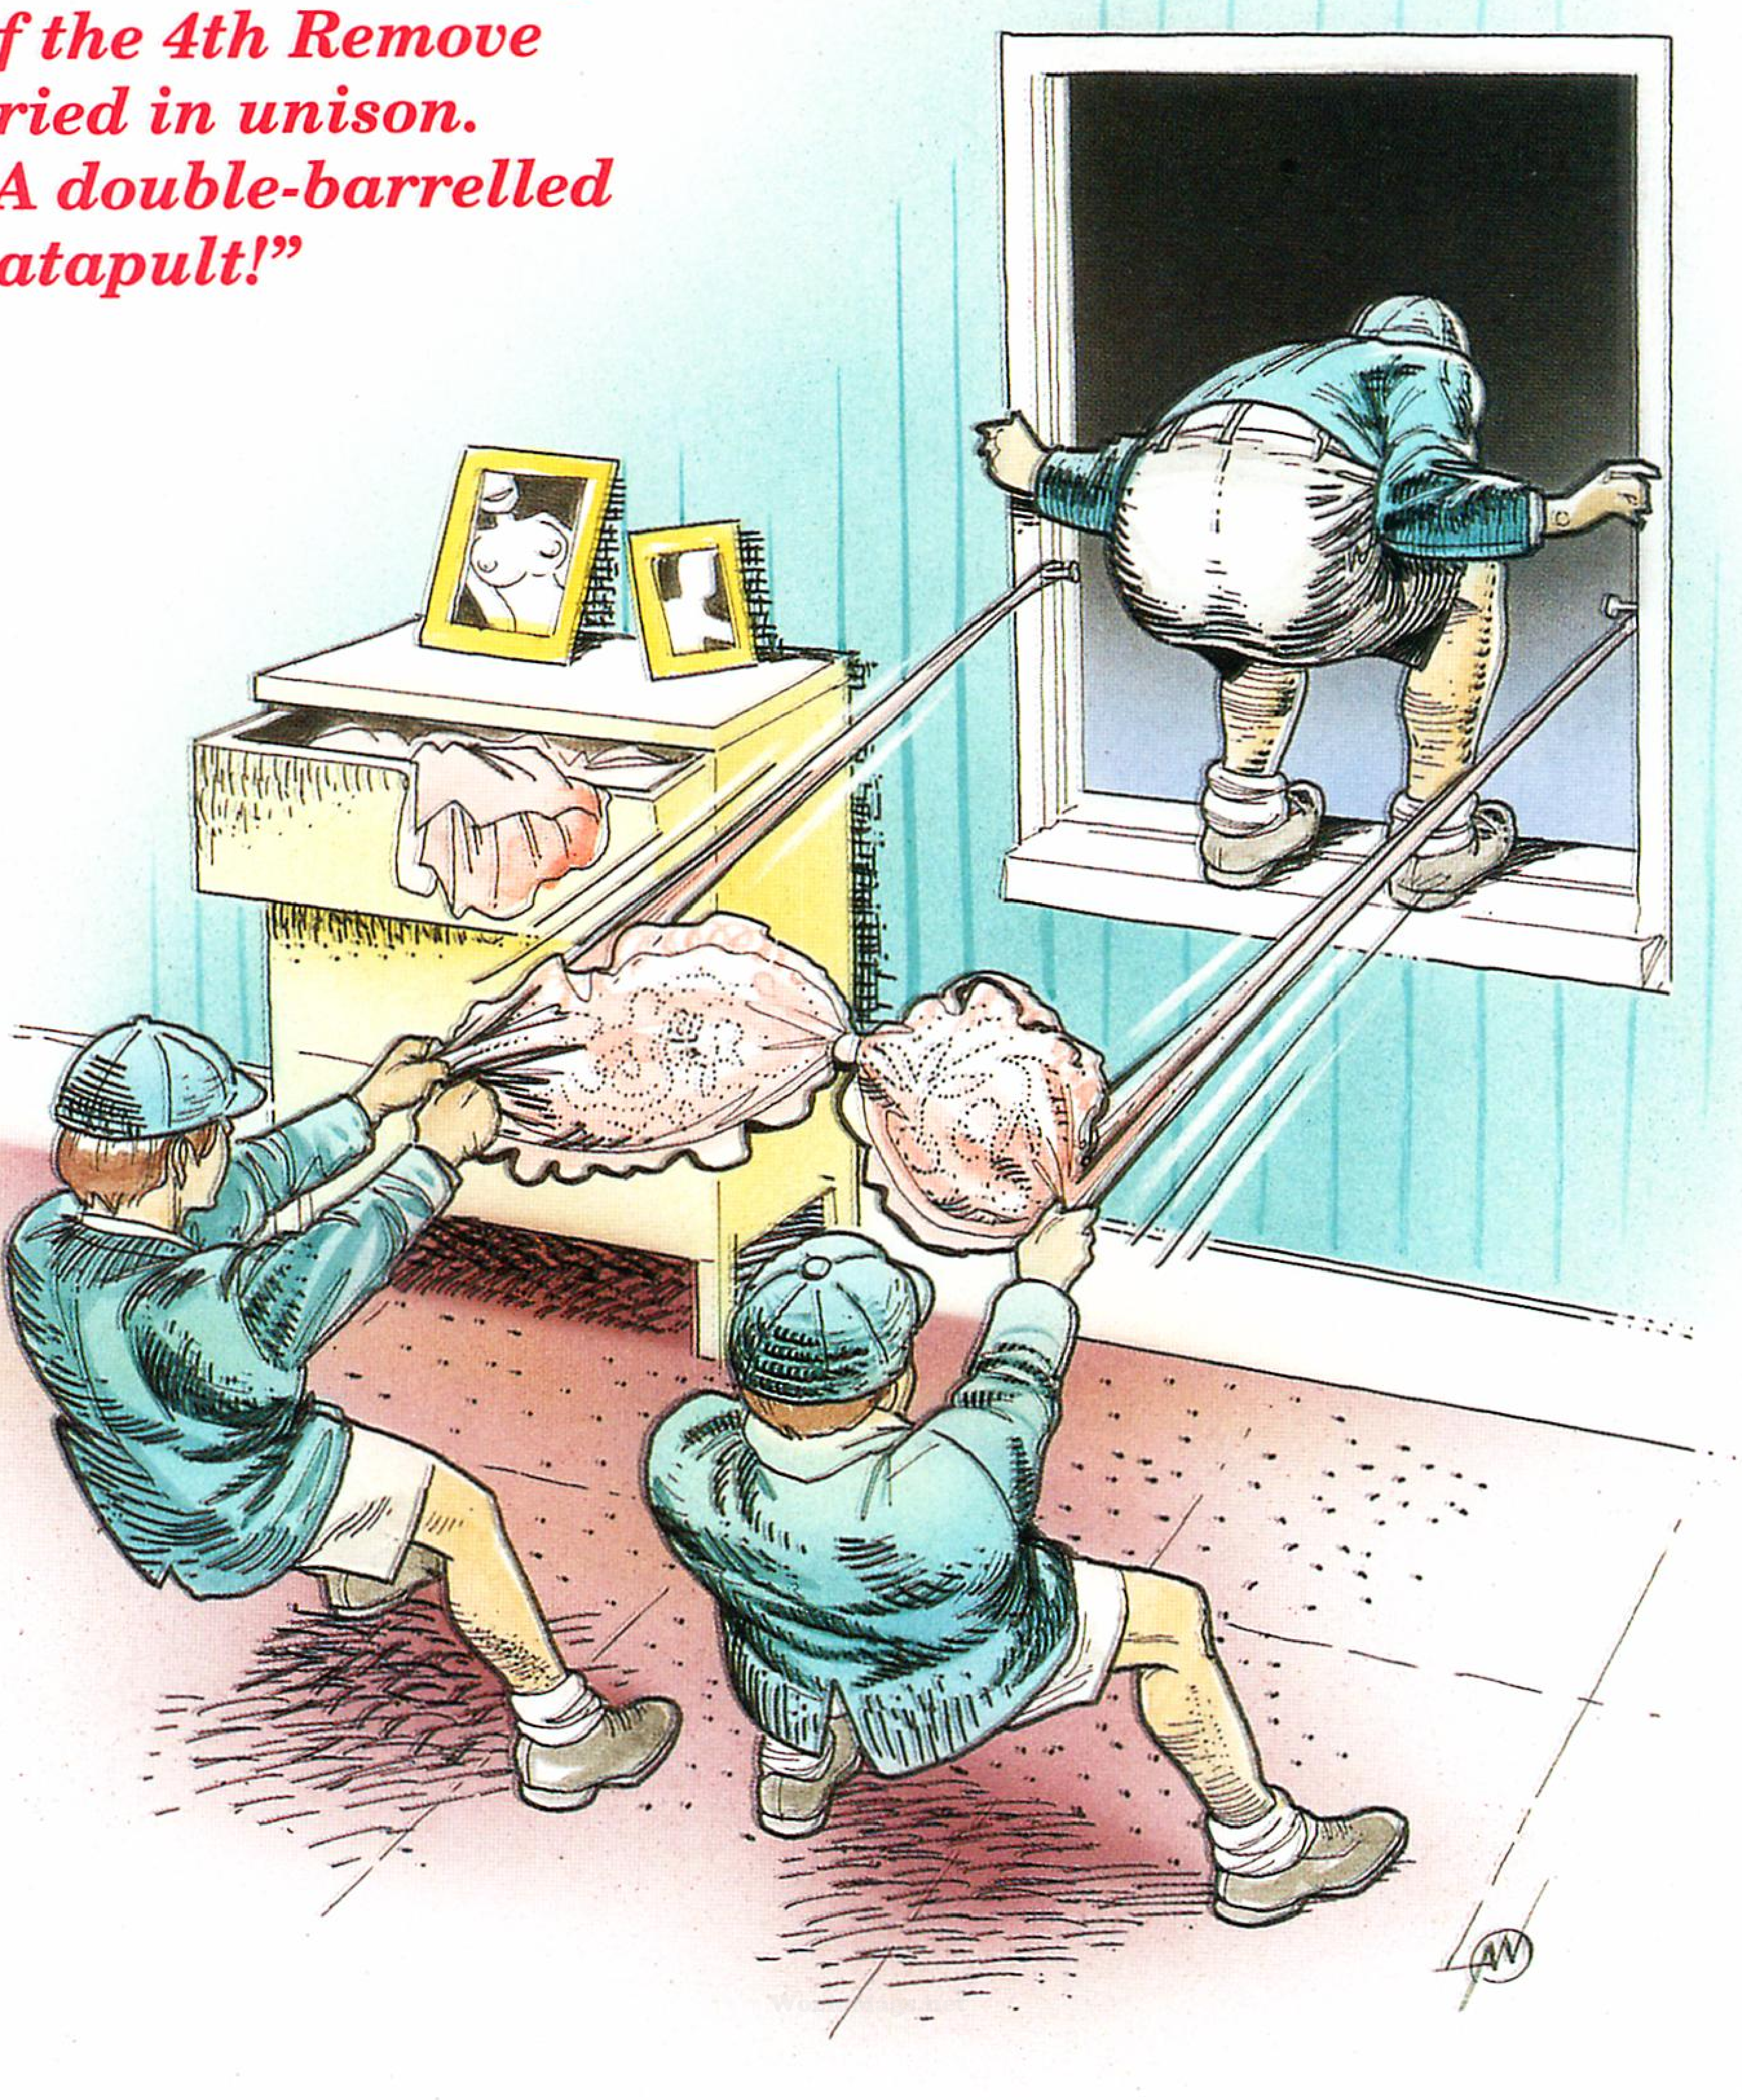
"Oh honestly!" "Wonker" Watson snapped testily. "The lower orders are just so cowardly. No wonder they have to live in slums, eat beetles and listen to Simon Bates!" Without further ado he opened the window and jumped out of it in a truly manly fashion.

"Unlike you, that chap is officer material," Nickers said sternly to the craven Prole.

There was a loud thump as Wonker's body landed in the quad below.

"He certainly was," the poorly-spoken cad retorted.

"Crumbs!" the chaps of the 4th Remove cried in unison. "A double-barrelled catapult!"



Moments later, as the chums huddled silently in the closet, the under-matron entered the room. She cast her eyes around suspiciously, smiled to herself, then said in a loud voice, "Oh, I am zo 'ot. I zink I will take off all my cloze!"

Two Hours Later...

"Lumme!" the chums cried in unison as, hot and sticky, they spilled out of the wardrobe as the sound of under-matron's footsteps disappeared down the corridor.

"Could you see anything through the keyhole, Nickers?" asked "Jumbo" Sausages.

Nickers loosened his tie. "I certainly could, chaps," he croaked, "and I'm afraid that this time I've had more than my suspicions aroused - I've had them confirmed. Under-matron is concealing something pretty strange under her shirt."

"Was that what the buzzing noise was?" demanded "Baaarp" Windrush.

"No," the champion winkler replied. "I think that was coming from some kind of secret radar transmitter. She's probably sending messages to a Jerry U-boat somewhere off the coast. She was speaking in some sort of code. "Uh-uhah-ah-oh-oh", that sort of thing."

"Sounds like some kind of Morse code," interjected "Stiffy" Thirde-Legge.

"Sounds more like she was having an orgasm to me," muttered Stinker.

"Oh do shut up, you dreadful oik!" cried the chaps of the 4th Remove.

Later, in the maid's pantry...

"...And vould you believe it," under-matron Heidi Thighs was telling her friend Lottie Tupping, the maid, "ze boyz of ze force remove were stuffing in my clozet?"

"What?" Lottie asked incredulously, "all 25 of them?"

"Yez. All except Watson, who 'ad for zome reason tossed 'imself off."

"So you gave them a bit of a show, eh?" Miss Tupping laughed.

"Vell, zay 'ad already had their hands in my drawers!"

"I tell you what," Miss Tupping chuckled, "I wouldn't mind that Nicholas Nixon going through *my* panties!"

"Really," Miss Thighs giggled. "But he is such a stiff and upright young gentleman."

"Precisely!" Miss Tupping laughed.

That evening, in the dining room...

After a scrummy school tea of stale bread pudding, stewed prunes and syrup of figs the atmosphere in the refectory was intense, as the venerable headmaster, Mr McRodd-Flogger, rose to address the boys.

"Hoots mon, laddies," he barked fiercely. "A series of heinous crimes have recently been perpetrated here at Etonbush." There was an instant hubbub in the dining room (hardly surprising after those stewed prunes).

"Aye," Mr McRodd-Flogger continued. "Over the past few days the school cook, Mrs Custard, has reported many of her puddings missing. Only this afternoon a pair of blanc-manges were pilfered. Tomorrow she is preparing my favourite jam sponge, and I have only this to say: any

HUH! UH UH UH UH!
UH! HUH! OOH! OOF! YAS!
UH! AAH!

boy caught with his hands on Mrs Custard's roly-poly will be severely dealt with!"

"Lawks!" "Nobby" Stick whispered to Nickers as they left the refectory. "Do you think this might have anything to do with the under-matron's chestal concealments?"

"Probably," Nickers replied with a steely look. "You just never know what the devilish Bosh will try next!"

"But why would she want to put blancmange down her vest?" "Sticky" Nobbs asked, puzzled.

"No doubt," Nickers said firmly, "for the same reason that my uncle, Brigadier Sir Lancelot Bastard, used to put jelly down the front of his breeches before charging into battle."

"To protect his toilet parts from cannon fire?" the chums chorused.

"No," Nickers said sternly, "because he was a filthy old pervert."

"Wizard!" the chums cried in unison.

"Anyway," Nickers announced to the chaps of the 4th Remove, "all work and no play makes Jack a dull boy. What say we go and round up a few of the junior tics, tie them up in a sack and send them by parcel-post to North Borneo?"

"What a super jape!" the gang shouted as they ran off to liberate the school franking machine.

At that moment, in the masters' common room...

"I'm afraid I shan't be in tomorrow," Mr Keggs (Geog.) announced to his colleagues. "Do you think Ms Combemightily (Music) will be prepared to take the older boys?"

"Certain to, old chap," said Mr Balderdash (R.E. & Peasant Beating). "You know how she likes the 6th Upper."

"From what I hear she's pretty keen on the 7th too," piped up Mr Looney (Latin).

The common room roared with laughter.

And in the headmaster's study...

Mr McRodd-Flogger had called Heidi Thighs into his study for a quiet word.

"Och," the headmaster said, as he paced the floor nervously. "I have to tell you that things are not too good, under-matron."

"Yez," Miss Thighs replied. "I should imagine Mrs Thunderbutts is uncomfortably heavy."

"Pardon?"

"Mrs Thunderbutts the matron, she iz rather overweight. I was saying this to Lottie. You know Lottie?"

"Aye. Miss Tupping, the maid."

"Well, I'm sure if you asked nicely she'd be happy to oblige. She quite misses it herself."

"Sassenachbannockburn!" Mr McRodd-Flogger blustered. "I'll come to my point, Miss Thighs. I fear that it is Mrs Thunderbutts who is responsible for the missing blancmange. You are aware, no doubt, of Kaiser Wilhelm's little problem."

"Indeed," Miss Thighs replied. "But I don't see how blancmange would help. Unless, of course, you rubbed it on to the affected area and then sucked it off with a vacuum cleaner."

"I was referring, in fact," Mr McRodd-Flogger snapped impatiently, "to the current pudding shortage in Prussia."

Miss Thighs looked puzzled. "But blancmange is not a currant pudding," she said. "Spotty Dick, that is a currant pudding."

"Auchtermuchtykennethmckellardonaldwheresyourtroosers!" Mr McRodd-Flogger blurted. "Are you a slate loose, woman?"

"No, headmaster," the under-matron answered. "I am a very loose woman."

"Connolly!" the headmaster swore, "I've nay more time to waste on you, under-matron. I have an appointment to beat John Thomas."

"You mean you are going to cane that little boy from Form Two?" the under-matron asked sadly.

"No," the headmaster replied sharply, "I mean I'm going off to have a frenzied wank!"

Later, in the Remove...

Nickers and his chums were listening to the wireless after lights out.

"And that was Joe Toss and his Orchestra with *I'd Like To Get You On A Slow Boat To China, And Stoke Your Boiler Till Steam Comes Out Of Your Funnel,*" said the announcer. "And now, a newsflash. Germany's dessert crisis further worsened today. Kaiser Wilhelm has been forced to take steps to prevent disaster. He has announced that all puddings will be rationed from midnight tonight..."

Nickers Nixon switched off the wireless set the moment the newsflash was finished. "Cheese!" he said to his chums. "It looks like under-matron and the blancmange are starting to slot together."

"Blimey!" chorused the boys of the 4th Remove. "Things are going to get pretty sticky!"

Nickers set his jaw firmly. "There's only one thing for it, chaps," he said bravely. "I'm going to have to pay under-matron a visit tonight and see just what it is she's trying to hide. One thing's for certain," he said, smiling at his chums who were looking at him nervously, "if I get my paws on her blancmanges, then it'll be a wizard tuck-in."

Stinker Prole stepped forward. "I think I'd like to come with you, Nickers," he said solemnly.

The chums looked aghast at the lower-class boy, who only moments before they had believed was as yellow as school custard. Nickers was the first to react.

"Good fellow, Stinkers," he said, slapping the grubby peasant on the shoulder. "You may still be a snot-nosed oik, but it looks like Etonbush Academy For Chaps is having its effect. I dare say that in a couple of years you'll be just the sort of first-class bod who hangs around outside public toilets and spies for the Russians. Now, old chum, lets you and I go and get to grips with whatever it is under-matron's got up her shirt."

"I think I've got a bloody good idea," Stinker muttered.

"Three cheers for Nickers and Stinker," cried the chums of the 4th Remove in unison, "Hip hip..." ♣

Toni

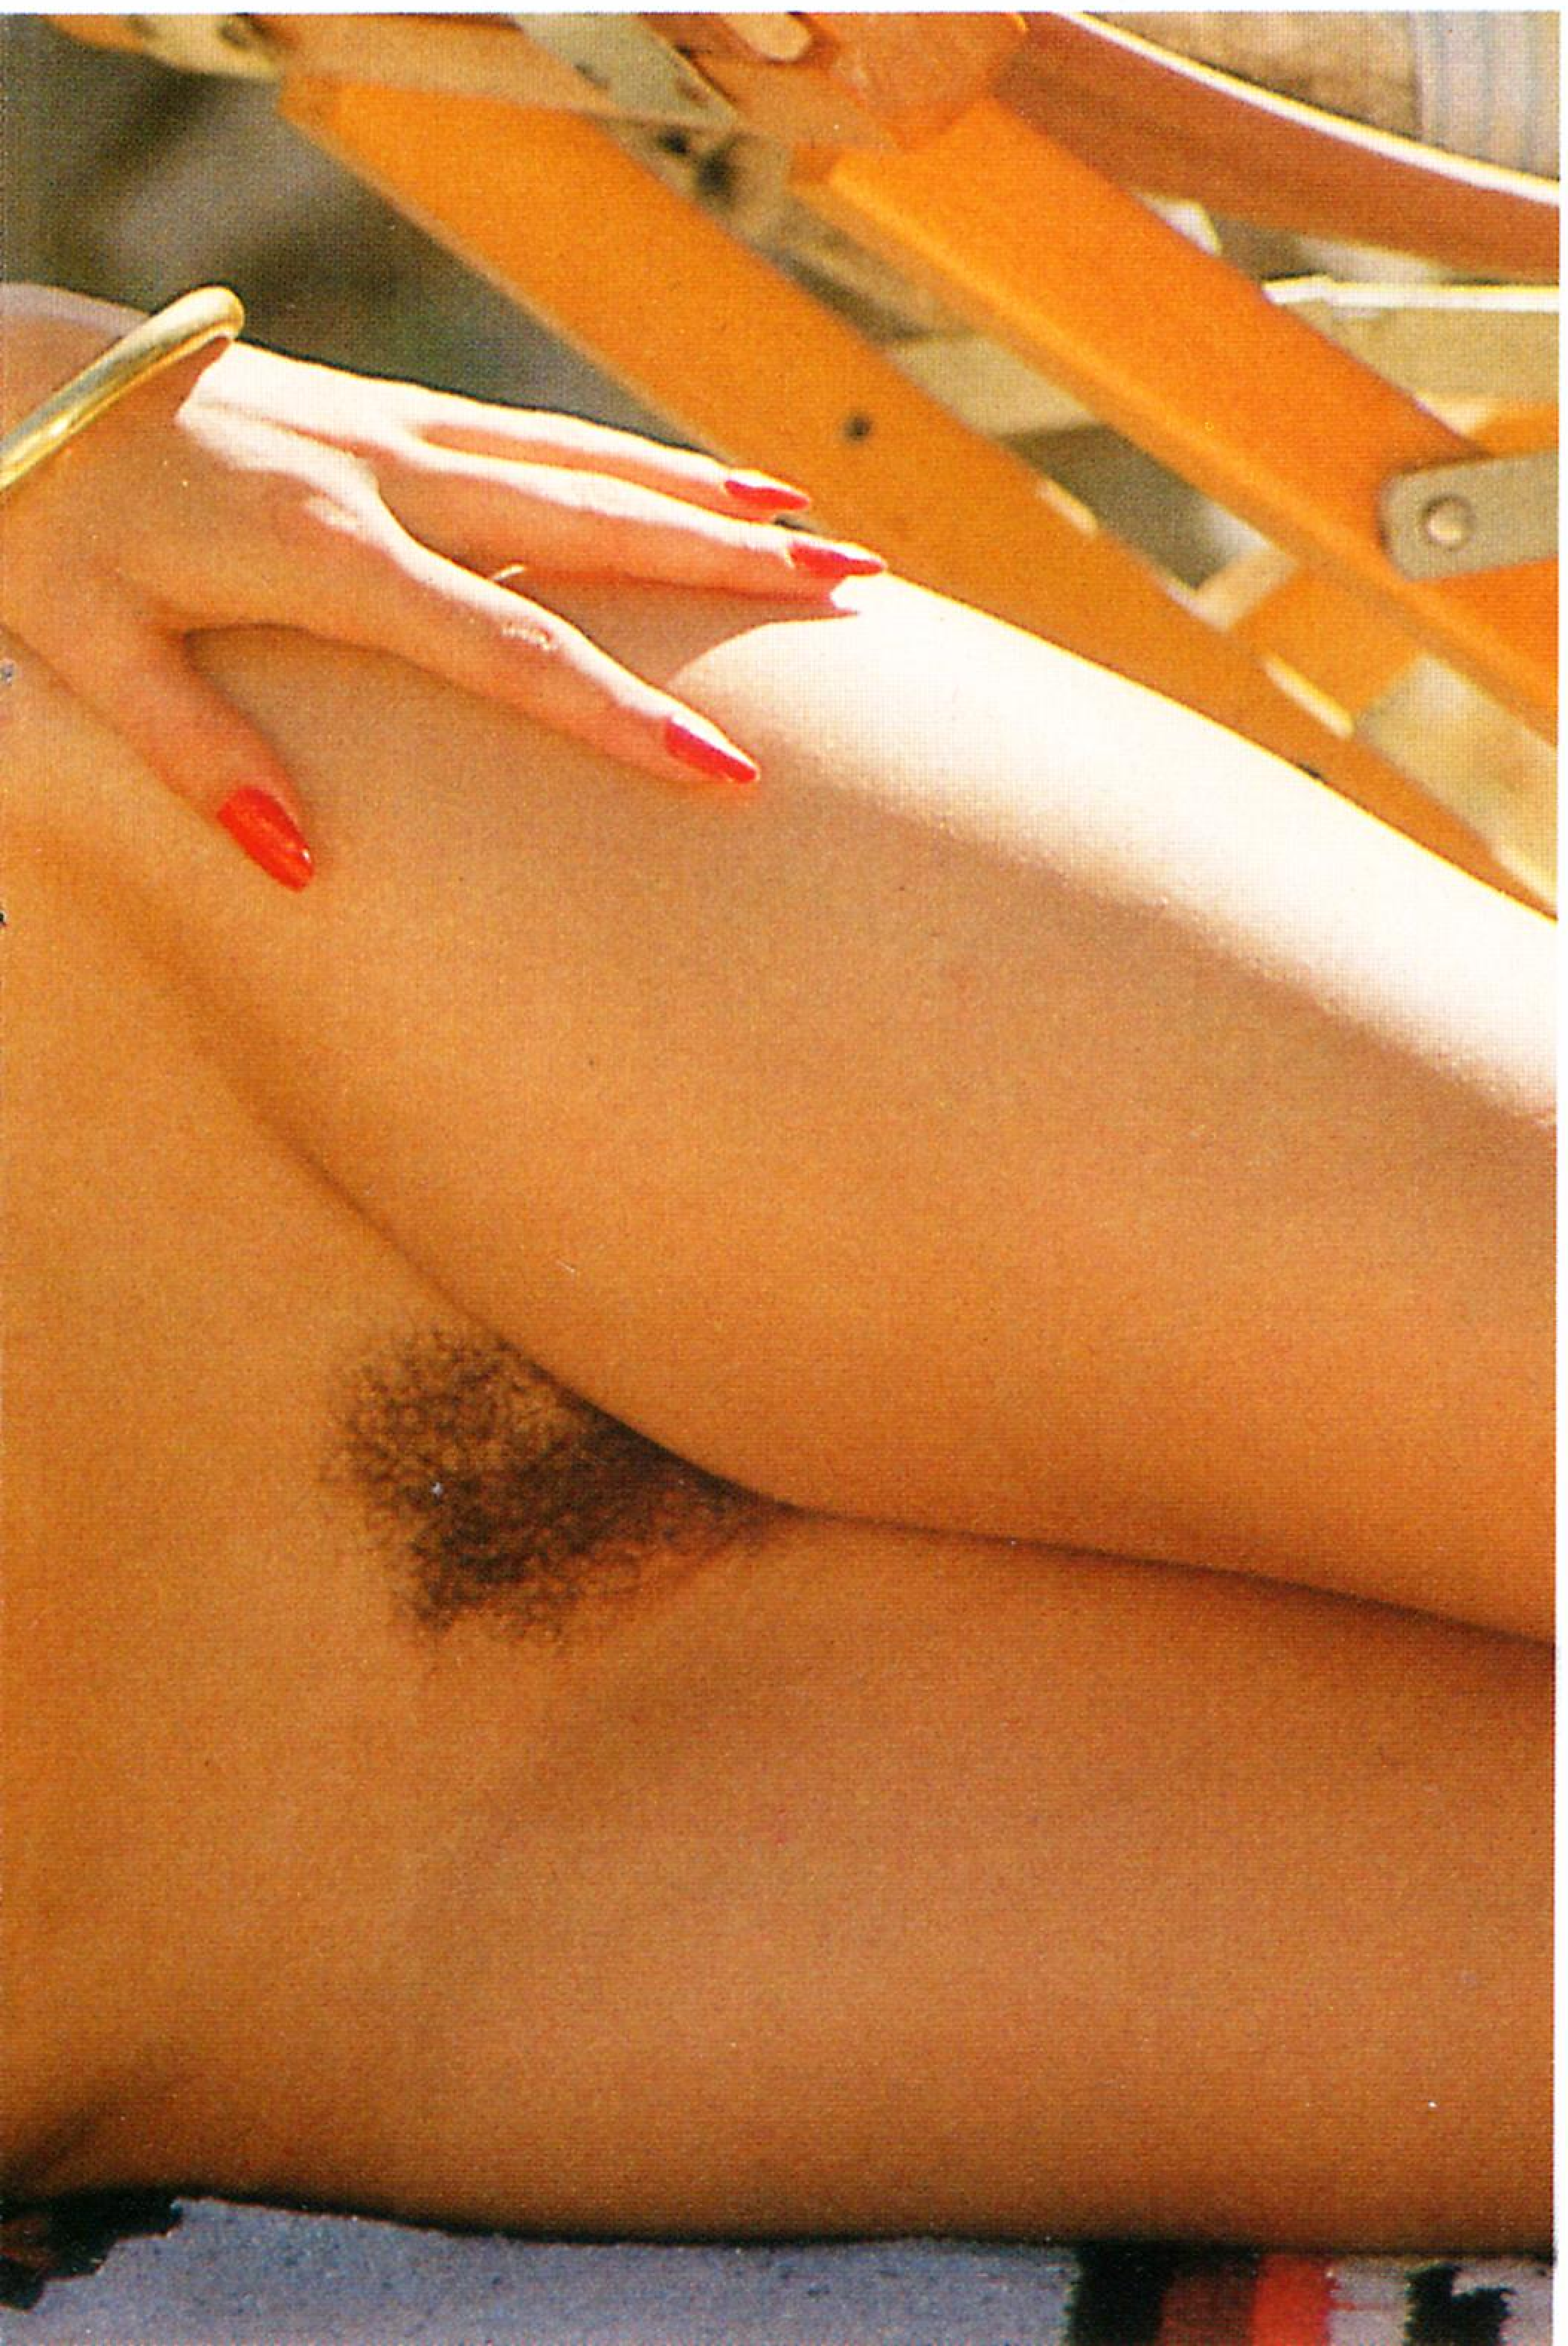
When a girl like Toni Shilletto appears in Club for the second time, the setting has to be just right. Nothing but the best will do.

"I quite fancy somewhere hot and humid again," she told us, shaking those alluring boobs as enticement, "so I can go topless in comfort."

In Vol 19 No 6 we featured Toni on a sun drenched beach at a secret location. Where exactly did she have in mind this

time?

"Well, I once had a fling with a hunky bloke in Antigua," the naughty Page 3 girl confessed. "And you never know - lightning may strike in the same place twice! If I don't get lucky while I'm away on the shoot, then who knows what may happen after I've appeared in Club. I may be able to get hot and humid with a bloke back home!" ♣



NUTTER'S CORNER

They don't half make them one sandwich short of a picnic over in California. The latest star of our series of totally unbalanced geezers is one Gary Hess, an employee of the Californian Secretary of State. But rest assured, those aren't his legs sticking out from under the rear bumper.

Nope, it seems that jester Gary has uniquely customized his Chevy truck with the bright idea of having a dummy pair of legs and feet disappearing under the chassis. Not for him just sticking spoilers on the side or having a windscreen strip with 'Gary and Sharon' written on it. Gary just had to go one better.

Naturally, these dummy legs cause great mirth to himself, and presumably also to the police and ambulance services, who are frequently called out to the truck to investigate reports by concerned citizens about a dead body under it.

And this man works for the American government. Says it all really. Completely bonkers. ♣

began to quiver and her juice started rolling down the insides of her thighs as she orgasmed. This was all I could take, so I pulled my cock out and sent my second load screaming out of my meat. My jism splashed on her firm, round arse.

The rest of the summer was filled with nights like that. I went back to college and she moved away. I haven't seen her since but I still masturbate with her vision in my head. - *Anon*

Out Of Print

Last night as I drove home from the printing plant where I work, I was feeling incredibly horny. The reason was that I'd had to work alongside Karen on the bindery. She's the hottest looking girl I've ever seen: 19 years old, small with a slender figure, great tits and the nicest bum I've ever set eyes on. I've never let her know I fancy her, because I'm afraid that she might not want to work with me if she found out I was into girls.

After watching her bum throughout my whole shift, every time she bent over to feed pages into the printing machine, I was really in need of a good frig! So when I got home I rifled through my collection of old Clubs, and chose Vol 19 No 4 from the pile. I slipped out of my tight jeans and panties and started to leaf through it, gently teasing my pussy as I looked at the pictures of the girls. When I came to Nicole's photoset I could feel that my pussy was soaking and my nipples were pushing hard against my lace bra.

That was it for me. I tore off my clothes, lay down on the bed and pushed my index finger into my soaking hole. As I carried on turning the pages I rubbed my love juice over my hard nipples, before starting to read the stories.

TAPED!

***Allan Bryce** is easy, we cry. He would be if he got the chance, but all he seems to do these days is review movies about aliens. Has he gone completely off his trolley? And where's the sex in that? We should be told...*

I was fiddling with the horizontal hold on my 27 incher the other day when it suddenly occurred to me that I must have spent about half of my wa(n)king life sitting in front of the telly watching birds take their togs off. I've probably eyeballed more tits than David Attenborough and David Bellamy put together! It was a sobering thought. Still, I always say it's more fun to fiddle with your willy than play the piano by ear.

Which brings me to the first of this month's red hot releases, a serious tale of sex, murder, passion, and nubile cutie Emily Lloyd in black stockings. **Chicago Joe And The Showgirl** tells the true story of an American GI (Kiefer Sutherland) and an aspiring chorus girl (*Wish You Were Here's* Emily) who meet up in war-torn London and decide to live out the fantasy existence of a Chicago gangster and his moll. Joining forces for a violent crime spree, they rob banks, make love in Hammersmith tube station (not an easy prospect) and eventually murder a taxi driver, an act which inevitably leads to their conviction and final tragedy.

ATTRACTION DREW THEM TOGETHER.
COMPULSION DREW THEM TO MURDER.
"Kiefer Sutherland – one of cinema's hottest young guns."

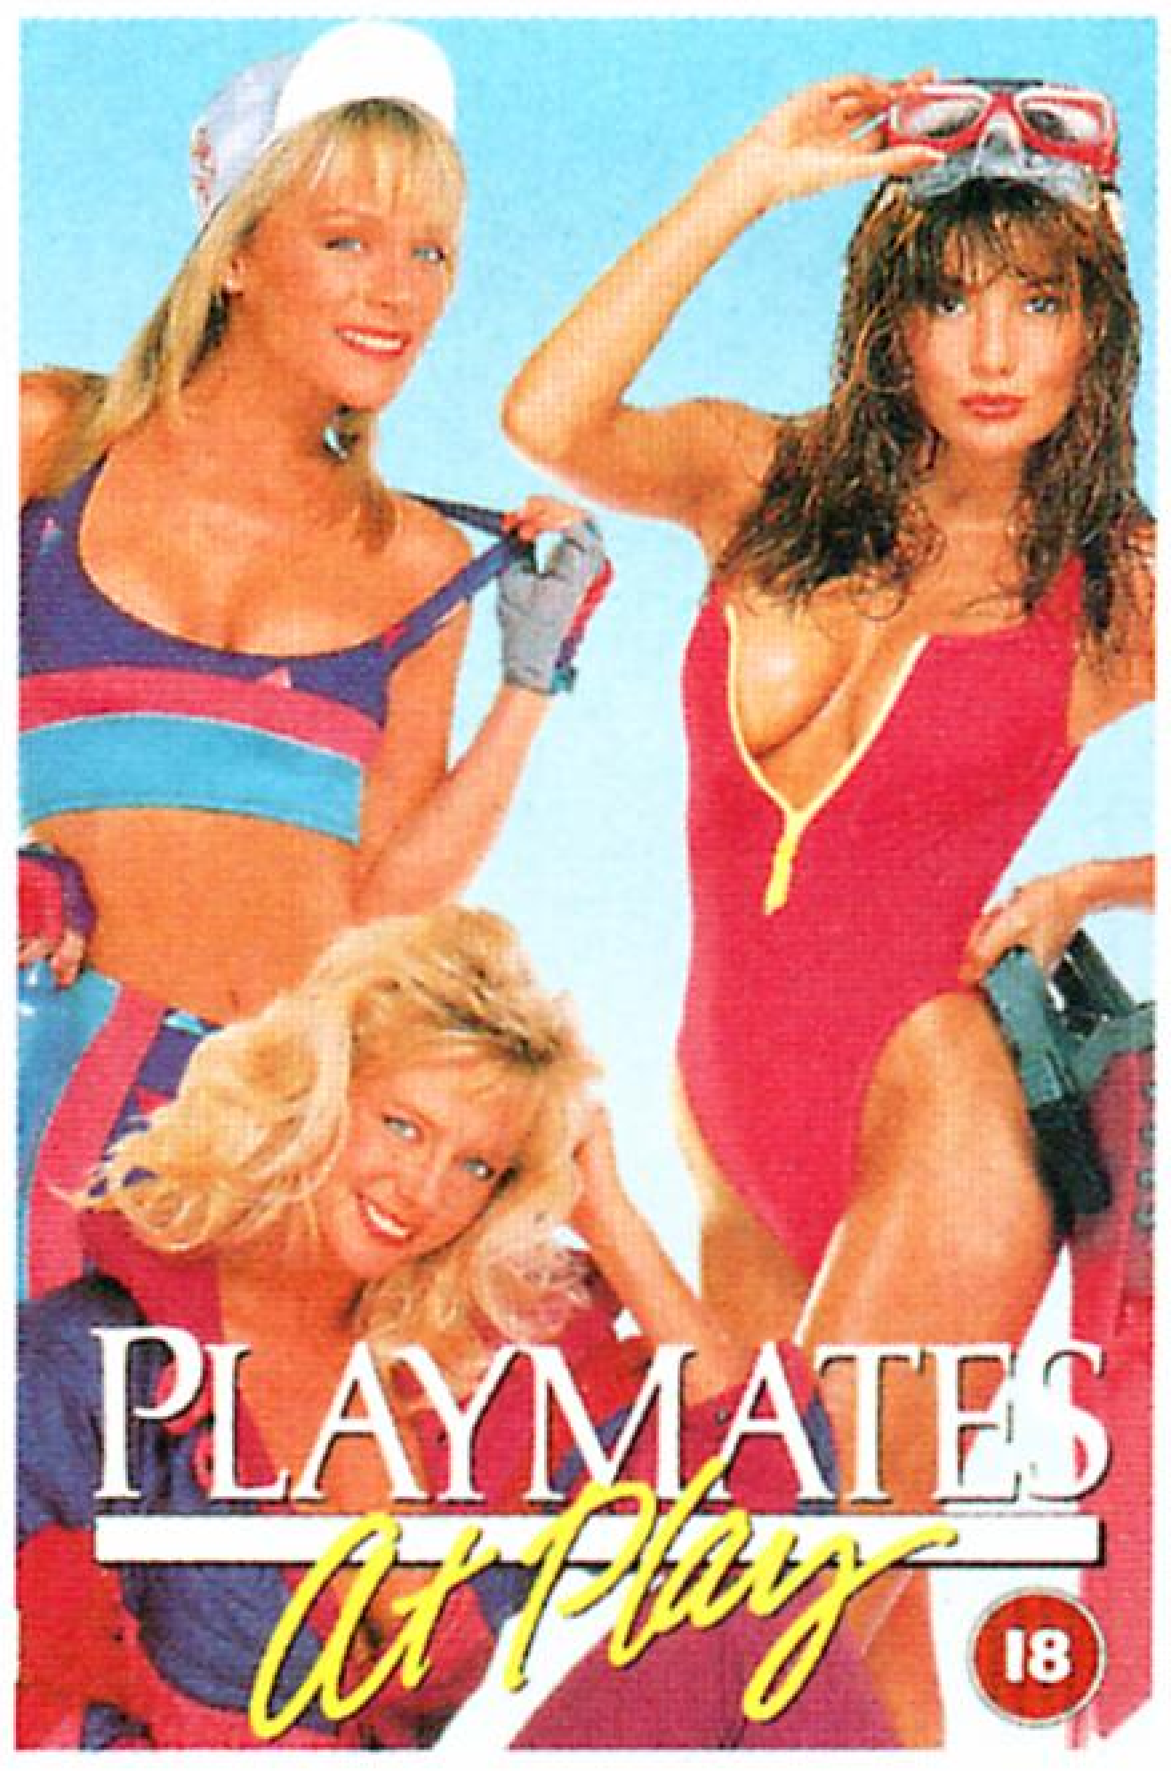
Stylishly directed by pop-promo-trained Bernard Rose, the film is vividly set in a blitzed Blighty of barrage balloons, blackouts and urban ruin. It also gives Emily Lloyd ample opportunity to display the cocky couldn't-care-less amorality that marked her debut performance in *Wish You Were Here* (but was sadly lacking in later failures like *Cookie* and *In Country*). The main characters are too shallow to make this into a British *Bonnie And Clyde*, and in the end the film doesn't deliver as much as it promises. But it's still well worth tracking down on video. And you might like to know that the video company sent me a free pair of Emily's black stockings, which I'm wearing over my head even as I type...

I was reading the shortest sex story ever written the other day: *Boy Scouts, Girl Guides*. But you'd probably prefer to hear about **The Perfect Brat**, a new American adult movie which is steamy enough to press your best suit with. It stars cracking bit of crumpet Julianne James - our Club girl of the year who is out in LA carving out something of a name for herself on the adult movie scene - as the sort of gal who treats sex as a full time occupation. Unfortunately, her hubby Tom Byron has been totally worn out by her constant demands and has taken to the bottle in a big way - so much so, in fact, that even Dean Martin won't go drinking with him.

This naturally leads Julianne into the arms of the superstud next door (played by a guy with a huge schlong who rejoices in the name of Jon Dough!). This man has got such incredible sexual stamina that his admiring female partners have dubbed him 'Tomorrow' - that's right, he never comes.

But deep down Julianne still wants to save her marriage, so she persuades Tom to go to a special therapy group which is run by Jessica Wilde, a gorgeous dark-haired lady who has come up with a novel idea of treating alcoholics: she takes them behind a curtain for an energetic sex session.

Of course, this dynamic new type of therapy works wonders in curing Tom's unfortunate case of brewer's droop. Now when he says, "Mine's a large one," he's merely boasting. The film fades out to a mass orgy with Jessica, Julianne, Tom and Jon doing their best to perform an X-rated version of Twister, leaving the viewer to ponder the obvious moral of the tale: that you shouldn't complain if your wife drives you to drink; most of us have to walk.



Now let's talk glamour, as in the world of Playboy magazine, where the girls wear mink all day and fox all night! This month brings two new Playboy Video releases telling us how wonderful Mr Hugh Hefner is, and how all the gals who take their clothes off for him are really grateful for the opportunity.

Playmates At Play would seem to suggest that the said Playmates are also possessed of the constitution of

Marika may look *sweet - but don't you believe it!*

"I don't know why, but guys seem to think that I'm the shy, retiring type," our 20-year-old blonde bombshell told us. "They assume I don't know about sex, just because I look younger than my years.

"In fact, nothing could be further from the truth! I like my men rough and ready - a bit like me! I love shocking blokes by wrestling them to the floor before sitting on their faces and giving them my orders. But tell your readers not to worry - I'll be gentle with them!" ♣

Olympic athletes. We join such drop-dead-gorgeous females as Kim Evenson, Karen Witter, Hope Marie Carlton and Pamela Saunders as they lift off in airplanes, hot air balloons and hang-gliders, ride bareback - and barefront - on wild horses, and throw wheelies on Harley Davidsons. All of which is about as erotic as a slap round the face with a dead kipper.

Marginally more stimulating is **Playmate Of The Year 1990**, which features an in-depth profile of coffee-coloured Renee Tenison, a small town Idaho beauty who was crowned top Bunny last year and now lives an exotic lifestyle which involves bathing in milk, pumping iron and riding horses across the desert.

The price she has to pay for this life of luxury is forever being surrounded by a romantic soft-focus mist, and having to use suitably hushed and reverential tones when discussing the Playboy organisation. After half an hour or so of pop video style glamour images and a daft interview with Renee and her twin sister, the tape concludes with a brief look at the enviable lifestyle of master Playboy photographer Richard Fegley, who is also surrounded by that bloody soft focus mist - perhaps it's that LA smog they're always complaining about.

EIGHT OUT OF TEN ALIENS AGREE...

Finally we come to **Earth Girls Are Easy**, a daft but enjoyable sexy sci-fi romp from Julien Temple, the talented British video director who gave us *Absolute Beginners* and *The Great Rock 'N' Roll Swindle*. The freewheeling storyline tells of three aliens from the planet Jhazzala (led by Jeff Goldblum), who have a very close encounter with a trio of horny Valley girls (led by Goldblum's real-life wife Geena Davis) - all of whom find the thought of dating a guy with a six-inch tongue quite appealing!

After crash-landing their spaceship in a swimming pool, the ETs are given a neat hairdressing job which transforms them into hunky male models, and then are snapped up by the fun-loving gals for a tour of the LA disco scene.

Predictably enough, the plot stops every so often so that the cast can deliver a musical number or two, usually staged with a pleasing degree of brash vulgarity. Otherwise it's a fast-moving mixture of car chases and jokes about the sex-lives of extra-terrestrials, punctuated with old film clips of everything from *Earth Vs The Flying Saucers* to The Nutty Professor. I'm assured that any resemblance between the latter and our esteemed Ed is purely coincidental. TTFN, and may the sauce be with you!

Gutt Of The Stunt

*At the start of the brand new football season, hackneyed hack **Frankie Gutt** investigates the new league's teams' chances and shouts, "New balls, please!" But surely this is football, a game of two halves...*

All right, me old pink-potters? Frankie Gutt here - with a quote, a quip and a column full of crap, exclusively in North Devon's favourite news sheet, *The Exmoor Stunt* ("The daily that's tough on crime, but soft on your bottom").

Here in Piddleham the weeks leading up to the opening of the 90/91 soccer season have been as active as a rabbit's gonads. First up came the news that genial Geordie fuckwit Laurie McBuggermey would not be sitting on the Knob Road hot-seat come kick-off time.

Spurts' chairman, hippie tye-dye tycoon Martin Righton, told fans that his final offer of £30 a week plus exclusive use of the club bike (Ms Samantha Scroates) had not been enough to lure the tall, teetering Tynesider away from his present position with Afghan top-dogs, FC Babikhan Lhaga.

But good news was just around the corner for the faithful Knob-Enders. The next day Righton was able to announce the appointment of chirpy Cockney coach Dave Gussett to fill the club's leading slot (Ms Samantha Scroates).

Gussett will be familiar to fans following his frequent appearances on BBC's flies-on-the-wall documentary, *U-Bugger!*, which followed the fortunes of his previous club, Shoot U-Bugger of the Doncaster Dripping-Fanciers' League. For months afterwards Gobby Gussett's catchphrase, "Cunting shag me! What a fucking pack of bastard wankers!" was on everybody's lips.

Gussett still has a couple of months of his previous club contract to run, however, and in the interim the Spunkfronts have named a caretaker manager - Bob Brush, who cleans the bogs at the *Cock And Kipper*. Bob was delighted with the news.

"I've got some firm ideas on positional play," he told me. "And I'll certainly be putting it to the team's top scorer." (Ms Samantha Scroates.)

But what of Piddleham Hotspurts' opponents in this season's thrilling Skoda Gearbox Division III battle? I got together with the Spurts' top star of yesteryear, Mick Shatton, to produce the following form guide to the upcoming festival of footie. (As you probably know, Shatton's about as bright as Christmas Day in Greenland; he's the only man I know who speaks Braille. However, editor Max Sackwell says that celebrities sell newspapers (and as far as I'm concerned that's exactly what Shatton should be doing - selling newspapers) so I was stuck with him.)

Chultonath Latex
Managed by John Bondage, the 'Rubbers' were the whipping boys of Division II last season and spent most of it anchored to the foot of the table. While they certainly don't lack discipline, Latex have found scoring a problem - their strikers too often get tied down by opponents. Watch out for the massive midfield presence of Dominic Dowse, an expert with the hardtackle.
Mick's verdict: "Oi'll 'ave a point o'laaaarger."

Fillem
The lads from Craven Frottage face an uncertain future now that chairman Jimmy Pillock has agreed to sell the Fillem ground to a local crotchless panties manufacturer. The most likely outcome is that the 'Frottagers' will merge with arch-rivals Blew City and

Mick's verdict: "Oi fancy a pickled egg, oi do."

Hardpole United
The 'Rods', newly promoted from Division IV, boast the league's only female manager in the form of the luscious Lucinda Groine. Fans will be keen to see the clash between Spurts' tough-guy Vimto Vomit and the Rods' Glaswegian hard-man Heeder McButt. Personally, I'll be hoping for a few juicy quotes from the lovely Lucinda - something along the lines of: "Ooooh Frankie! Put your head between them and go blubablubablubaluba" would do for starters.
Mick's verdict: "It's your shout."

Nockingham Arthritis
With their legendary loud-mouthed manager Bryan Chuff, the 'Limpdicks' are no strangers to controversy. Chuffy's latest outburst was an attack on new Inkland boss, Graham 'The Seaman' Sailor. Said Chuffy: "This appointment is the worst decision since the Captain of the Titanic asked for more ice in his drink. Sailor is to football what the Elephant Man is to skincare products. He knows less about soccer than a brain-dead Alaskan lemming. I'd like to take this opportunity to wish him every success in his new job. I'll be right behind you, Graham." Arthritis' main man to watch is C. Niall Dementia, the dribbling wizard of the wing.
Mick's verdict: "Oi'll be pissin' all noit arfter this lot."

Shrovefield Tuesday
The 'Pancakes' flopped last season, but image conscious boss Big Dick Bonkinson has been adding some sparkle to his squad in the close season. New signings include 400 yards of gold chain and a medallion the size of the Charity Shield. Bonkinson is also predicting a big future for new boy Paco Rabane, signed from Spanish club Real Smelli last season. Bonko told me, "The lad's very good in those tight little areas, though I have to say, his chest isn't half as hairy as mine is."
Mick's verdict: "Buuuurp!"

USAF Tagnuts Base Trousersnakes
A new addition to the league from the local US airbase, made up entirely of USAF personnel inspired by their nation's superb display in Italy. Head Coach Sergeant Nuke Pinkoes told me, "Yessiree, bob. We're looking at a clear shut-outs versus positive goal tally scenario here, pardner. Why, your guys can't even afford a decent set of helmets." Keep an eye out for Brewster Roosterbooster, the dynamic number eight with the powerful shot and the lethal flamethrower.
Mick's verdict: "All this thinkin's give me a roight 'eadache."

Before I sign off there's just time to give you news of another big sporting story down on Frankie's patch.

Local angler Des Tickle yesterday won the West Devon Wet Fly Tournament. Des put his win down to his ability to pick the right fly for the conditions and powerful casting.

"If you're a master baiter with a strong wrist, you can't beat it," he told me.

Until next time, remember what the ice hockey players say: "In this game we're always looking for a good puck." (Ms Samantha Scroates.) - *Frankie* ♣

GINETTA G32

What goes from 0-60 in 7.5 seconds, has all round suspension, well upholstered interiors and can seat two people in relative comfort? For a start we aren't talking about Dominant Dowse, but something that's a rarity these days - a hand-built home made sports car.

Described as 'uncompromisingly British' *(Does that mean it breaks down a lot? - Ed)*, the Ginetta G32, with its 1.9 litre alloy engine and race-derived, lightweight chassis, is capable of over 130 mph (excluding on the M25). Although it may sound like one of the lesser known positions in the Kama Sutra, the Ginetta is currently being hand built at the rate of just three new cars a week, which means that if you fancy having any personal modifications put in, like Axminster carpets, powered decanters or twin door mounted Exocets, you can just ring up the factory.

Not bad for a car that retails at around at a very cheap £14,700 - but the burning question is, does it make your penis bigger?♣

I turned to *Women's Writes*, and immediately I remembered why that particular issue had been so good for me - the first letter in there was mine!

It was all about how I fucked my cousin on a trip back home to the States, and as I read it again I remembered the great time the three of us lesbians had. I could still picture Cindy's lovely, shaven cunt, and as I thought about that, I couldn't even finish the story before I knew I had to make myself come.

Frantically I turned further on to find blonde Denise. Pretending that she was my co-worker Karen watching and frigging off with me, I wanked myself until I came. My cunt just exploded in a wonderful orgasm, thanks to Nicole and Denise - and Karen, although she doesn't know it.

I'd like to thank you for printing my story in *Talking Blue;* I'd always wondered if the stories were real, and now I know they are. You made one very horny girl's dream come true. And if I get anywhere with Karen, I'll write in and tell you all the dirty details. - *Tracy, London*

My girlfriend Jo and I have been following your readers' letters for several months now, and we particularly enjoyed Jade's adventure in

Poetry Corner

After last month's titanic effort to win the crap poetry stakes from the Bard of Middle Wallop, Miss AF (and our thanks for not sending any more), we thought things couldn't get much worse. How wrong we were.

My king, my god, my man!
He drives me wild with desire,
My body's hot, steaming -
I'm on fire!
Sexy talk really hits the spot,
Creaming, throbbing, tingling -
My body's so hot!
Undress me quick, hurry, do.
With body and soul - uh, I need you.
Thick lipstick on my lips,
Around his tool, hard and thick.
Suck till he comes, then I lick and lick.
Sheer delight, non stop,
Day and night.
Inside me his magic fingers gyrate,
Then excitingly vibrate.
Wet, wet - you ain't seen nothing yet!
Excitement every day,
That's the only way.
Riding fast, I'm on top.
I make him explode - pop!
Down on all fours, in he goes.
Deeper bucking, to and fro,
Ooh, aah, ooh, screaming grows.
I like quickies as well;
They make my man hot and swell.
I have lots more to tell...

Well, please don't bother, N of Kettering! Positively the very worst poem we've ever read, this has to be about as literate as a Cannon And Ball script. Don't call us - unless you've got anything even worse... ♣

A constable, if I'm not mistaken

Vol 19 No 5 when she was taken by both Mark and Mike. A few weeks ago I had a similar experience, and we both thought that your readers would be interested.

Fiona and Gary are great friends of ours, and recently Gary invited me round to celebrate Fiona's 25th birthday. At first I assumed that he meant both Jo and I, but he insisted that only I came along. When I questioned this, he explained that Fiona had often fantasized about taking on two guys at once, and he wanted to give her a special birthday treat.

Thankfully, Jo readily agreed to the plan, even pretending to be ill on the night so that I could turn up alone. Fiona looked gorgeous when I arrived, her dark hair piled high, wearing an almost see-through black blouse that revealed a lacy, white bra. A short leather mini-skirt meant that most of her stockinged legs were on display, and high heels pushed her pert arse into the air.

After the meal, Fiona looked a little put out when Gary suggested we watch a film. But as Gary and I had already planned, it was a blue movie on the video, about a young blonde who went to a disco and got picked up by two studs.

Fiona's response to all the deep throat action that followed was to giggle, then gasp, and finally she turned to Gary and said, "So this is your plan, is it? You're both going to fuck me?" Gary's response was to pull her across his chest, and soon the two of them were kissing.

I had a perfect view of Fiona's arse as she knelt up

Miriam is a lady of mystery. All we know about her is that she's 22, comes from Amsterdam and when she's not modelling, she spends her time dancing at an exclusive Parisian nightclub wearing nothing more than a display of exotic feathers.

And all the lady would say when we spoke to her was, "I am what you want me to be." Any suggestions?...♣

Most of us hate our names, but for this month's centrefold Racquel Darrian, her monicker's always been a *real* burden.

"I just sound like a porn film actress!" she moaned to us at the photo session - the first time she's ever stripped off for the cameras. "I've had jokes about it since I was at school. It's my real name too!

"My father's French, so that's where it comes from. When people find out what I'm called, they always

expect me to be spending my days doing erotic films or taking my clothes off. So finally I thought, why not?

"I haven't looked back since this session, and as I'm only 20 there's a few good years left in me yet. But what do you think of my body, guys? Can you keep a stiff... upper lip?

"And if I do say it myself, I think I have a certain *je ne sais quoi,* don't you?"♣

Aaargh! It's the man with the biggest sneer in rock, and he's back to make heavy metal mayhem! Pierre Perrone meets the mean-mouthed mutha who watches porn movies to recover from his bike crashes. Phew, what a rebel!

Billy Idol used to be a joke in rock terms. The peroxide hair, the sneer, the bondage gear - it was all very 1979, and he wasn't even popular then.

Which of us could forget Billy's *Top Of The Pops* appearance, singing *King Rocker* with his band Generation X, the night William Broad from Bromley snarled his mime into the camera, totally unaware that the backing tapes had started almost a verse early...?

But now, Billy Idol has become the classic rock star. He's made it because he built himself into a parody of that rock star, and in doing so caught the imagination of millions of American girls. These days he only has to appear in his leather jacket, buckles and belt, straddling his Harley Davidson, and they come over all faint.

But the legs that straddle the motorbike so overtly sensuously nearly came a cropper on it just a few months ago, almost bringing Billy's career to a definite dead end.

"I was making my way down to the recording studio to pick up some tapes of my album," Billy says, snarling ruefully if that's possible. "It was my new LP that had taken months to record, and I really wanted to hear the finished version. I was racing down there on the Harley, and next minute I heard this massive bang. Thank God I heard the bang: people say if you don't hear the bang, you're dead.

"Next minute, I woke up in the gutter with my hand completely fucked up, for want of a better word. My leg was completely screwed up too.I tried lifting it and all I could see was a stump. Half of my trousers were completely in shreds from the bone ripping through. There was blood everywhere. I was in agony.

"I could see from just lying in the gutter that I'd done something terrible to myself. I knew it was gonna take a long time for me to recover." Understatement of the year. It was a narrow escape and Billy has been hobbling around on crutches for the last few months. He should soon be walking "on a steel rod which they put in my leg. I had to go in for another operation because it wasn't fixing properly. The doctor could take my leg and wiggle it about from side to side. It was pretty wild."

Billy also admits that the strong painkillers he was given in hospital almost ended up doing him more damage than the leg.

"In the end I had to go cold turkey," he confesses. "To help me with the pain, they'd given me a lot of morphine. Coming off it was hell."
I wonder if the singer's life flashed in front of his eyes at the time of the crash. He laughs.

"That happened in 1976! A chemistry teacher wrote 'William Broad is idle' on one of my school reports! I certainly had a flash then - William Broad became Billy Idol! Seriously though, at first the whole band idea, my whole punk lifestyle, was just for a laugh. But then I thought, no, I'm not gonna be just some bum who sits around all day doing fuck all, I'm gonna be a star!"

With this vision he soon dropped out of school, met up with the Sex Pistols and Siouxsie Sioux and joined punk no-hopers Chelsea. Realizing they were going nowhere, Billy formed Generation X with Tony James (bass), Bob 'Derwood' Andrews (guitar) and Mark Laff (drums), hoping for stardom or bust.

Sparks flew. The problem was that the fourpiece never truly believed in the no future attitude of punk. They were quite happy posing, jumping on the bandwagon with their ripped T-shirts and sneaking into the charts with energetic, youthful 45s like *Your Generation, Ready Steady Go, King Rocker* and *Valley Of The Dolls*...

"We really thought we'd made it," says the singer. "We started to behave like a bunch of prima donnas but it didn't fool anyone. Audiences would throw bottles at us - and I'd encourage them!"

dol

Generation X hung around long enough to have its second album produced by Ian Hunter (ex-Mott The Hoople), but line-up changes spoiled the recording of their third effort, *Kiss Me Deadly,* with Keith Forsey salvaging what he could from the ill-fated sessions.

But while Generation X failed, that album contained the germs of Idol's eventual success. The singer is recognized that he needed to go somewhere else to avoid becoming a has-been.

"If I'd stayed in Britain, it would have been: see that guy at the bar, he used to be in Generation X, remember him? I had to leave. I got myself an American manager and moved to New York. I've always loved that city." But it took Idol a while to find his feet in the Big Apple.

"It wasn't easy. My record company were saying that maybe I should change my look - I told them to get lost! One night just after that, I went to a club and got really drunk. Even in that state, I suddenly realized that the DJ was playing *Dancing With Myself,* my last record with Gen X - and that people were dancing to it! So I thought, hey, maybe there's a future for me here after all!"

"I think you can fuck to my music"

In 1982, Billy hooked up with Steve Stevens, "a great guitarist. I started to write with him, and producer Keith Forsey came into the picture again to help us polish our sound. And for six years, the three of us were the Billy Idol team."

The ball was rolling from then on in. Clubs started to play a cover of *Mony Mony* that they'd worked on. MTV weighed in with heavy coverage of the raunchy videos accompanying tracks like *White Wedding* and *Hot In The City*. Billy Idol became the most successful expatriate Brit of the 80s.

But the rapid rise to fame didn't come without its disadvantages. Success did go to the head of the singer, who did "serious damage" to his liver.

"When I've had one too many I get really out of control," he admits. "At the end of the last tour, I found myself naked in my hotel room with all these girls. They were making me drink really strange cocktails. I don't remember what happened in detail, I must have blanked out.

"Anyway, when I woke up, I was freezing my balls off. All the windows had been smashed, no doubt by me. Pretty stupid, really, breaking all these windows when you're not wearing anything. No wonder I was freezing!"

Idol is also rather critical of his *Whiplash Smile* album, which spawned hits like *To Be A Lover* and *Don't Need A Gun*.

"I find the result lacking in emotion. We spent too much time fiddling about with drum machines and samplers. It was like jerking off! It's a lot more exciting to be playing with other people rather than jerking off!" he cackles, before rapidly pointing out that he's talking about other musicians rather than sexual partners.

Mind you, Billy is the first one to admit that his house in California has served as the set of many an X-rated film. "It's really weird to be watching a pomo movie and suddenly to realize it was all filmed in your house. And that I was doing that last night too!" he shrieks.

It was in that curious setting that his girlfriend, former Hot Gossip dancer Perri Lister, gave birth to their son Willem Wolfe. And here's where we find that Billy Idol might look tough, but the proud father is a big softie inside.

"I've gotta admit it was a magical experience watching him being bom. We weren't in a hospital, and my girlfriend didn't use any drugs or anything. I was the only person there apart from the midwife helping her. I even had to cut the umbilical cord. A sobering experience."

It seems that Billy Idol has taken twice as long to make it this far as anyone else.

"I've always worked at my own speed," he says. "I wait for inspiration. Sometimes I start off with a title like *White Wedding* and then I start strumming my guitar to see what happens.

"I don't give a fuck about recording contracts; I don't give a shit about my career. What I care about is doing good music, and I do it for me. If other people get a charge out of it, great. But I'm not gonna listen to people who think I should do things quicker.

"To be very rich, you have to put out an album every year and get a Top 10 hit off every one. You're really coining it then. But that's not for me."

The singer has also been dabbling in acting. First he appeared as Cousin Kevin in a couple of *Tommy* extravaganzas by The Who. Then, he was all set to take part in the film Oliver Stone is making about Jim Morrison and The Doors, when his bike went off the road.

"I really thought the accident would put me out of the movie," confesses Idol. "All the shooting is in chronological order and my part started in 1967. I was supposed to play Tom Baker, a friend of Morrison's who was really out to wind him up. That part fell through but Stone was really helpful and wrote me in to play a composite character of a couple of people who used to hang around and film The Doors. It's great to be in a film about one of my favourite bands."

The influence of The Doors on Billy's work seems all-pervasive. "I love Morrison's poetry, and I love his songs. I don't care whether he was on a death trip or not. He made me realize you didn't have to be like Robert Plant to make it. I decided to cover *LA Woman* on my new album because I've always done the song as an encore, and it was the inspiration behind some of my own stuff."

In spite of his busy schedule, including a lot of physiotherapy on that leg, the singer hasn't given up all hope of going out on his beloved bike again.

"I've got a rigid chopper being built for me now," he grins. We bet he has. "I'll be on it as soon as my leg gets fixed. I love riding on my motorbike, it makes me feel free. I can't wait to go out with Mickey Rourke and Brian Setzer again, but I think we'll avoid the congested parts of LA."

It's a case of once bitten, twice shy, but pointing towards his crotch, the singer assures me that "there's nothing wrong with me down there!" There might not be, but what about his mental state, with tabloids claiming he'd been born again?

In a flash, the lips curl and the sneer is back. "When you see your child being bom and when you survive a bad road crash, you get a little spiritual, but bom again is a *slight* exaggeration. I think everybody heard it wrong. When people were saying I was bom again, it was actually that I'd gone into *porn* again!

"My church is still the dirty book store - I'm still playing groove'n'grind rock. I think you can fuck to my music."♣

IN·THE·BAG

on the sofa. Her mini-skirt had ridden up, revealing her stocking tops and a lacy, white thong pulled tight into her pubes. I decided it was time for me to join the action, and pulling aside her already soaked thong, I started to lap at Fiona's shaved pussy.

She gasped, and pushed her arse right into my face as she began to strip Gary down to his black posing pouch. He, in turn, removed her blouse and bra, and began squeezing her nipples. Fiona then suddenly turned to me and helped me strip off down to my posing pouch (a present from Jo), and soon we were kissing deeply. It was now Gary's turn to ease his tongue into the pussy offered to him.

A few hectic moments later, Fiona lay back on the sofa, and Gary and I both kissed and fondled her eager body while helping her strip down to her stockings, suspenders and high heels. Fiona then knelt in front of me and pulled off my pouch. My cock sprang out, and Fiona ran a single red nail along from its tip to my aching balls. This was followed by her tongue, before she opened her lips and I slid down her throat until my balls slapped against her chin.

After several minutes of bliss she turned away, leaving my cock smeared with saliva and lipstick, and moved over to Gary, who was sprawled on the sofa watching both the video and the live action.

She knelt over his lap and pulled off his pouch to reveal his throbbing erection. A cock ring around its base made it swell even more.

As Fiona began to gobble him, I glanced at the TV, to see the blonde getting shafted at both ends as she knelt on all fours. Fiona must have seen what was going on, because she glanced around, her mouth crammed with Gary's cock, winked at me and wiggled her arse.

I didn't need a second invitation, and pushed my cock deep into her with a single thrust. A few minutes of frantic fucking and sucking and Fiona climaxed, her moans muted by Gary's cock still deep in her throat. I pulled out and watched her juices dribble down on to her stocking tops, before Fiona turned round and, grasping my wet cock in one hand, began sucking my balls.

Gary took his cue and knelt between her splayed legs. I watched as he eased his cock inside her until the ring was rubbing against her clit.

Again the room was quiet apart from the constant gasping and slurping as two cocks and one pussy got well worked over. Suddenly, the silence was broken by a loud moan from the TV, and we all turned to see the blonde receive a stream of come over her face and breasts from one stud, as the second sprayed her pubes and stomach with another load.

This display set Gary right off, and he straddled Fiona's chest. After a few strokes from her free hand, he directed a jet of come over her boobs and neck. A little encouragement from Fiona's other hand, and I soon added my load to Gary's. I never expected Fiona to be so cock hungry - and I don't think she did either!

For the rest of the evening, Fiona just couldn't get enough. In the end, she knelt on the floor as Gary slid his cock between her boobs whilst I again fucked her from behind. Fiona took Gary's load over her face, and a few more thrusts and I pulled out, jammed my cock between her bum cheeks and shot my load in a long jet up her back.

Everyone agreed the night was a great success - especially Fiona, who couldn't walk straight for days afterwards. Only Jo

FOCUS ON SAMSON & DELILAH

Yet more of the series everybody's not talking about (except when they say "what's this load of old bollocks?").

In a historic decision, the Editor has decided to have his huge collection of pets immortalised by the master portrait painter Sergio Dogsbollocks. The first to be captured on canvas are Samson and Delilah, an inseperable couple who are the oldest pets in the Ed's menagerie.

"Of course, it's a very great honour," says Samson, 89 (in dog years), while he puffs contentedly at his favourite Havana cigar. "I've seen a lot of changes at the palatial Club HQ over the years. In fact, when I first came here it was nothing but a couple of mud huts and a porno booth in the middle of a swamp. But one thing has remained unchanged throughout the years: there are buckets of shaggable models all over the place. Jolly good show too!"

Delilah, Samson's faithful companion over the years, chuckles merrily into her crochet. "It is nice being painted - though I don't know if Mr Dogsbollocks got my best side! I feel very much part of the family here, as if I was related to every one of the Ed's 1,842 pets," the charming old crone muses. "And I suppose in a way I am. After all, I've been shagged rotten by every single one of them." ♣

SON OF BAD JOKE

This month's selection of side-splitters comes from Bill of Lewisham. Bill is currently in hospital with a broken leg, presumably through falling about at his own hilarious brand of humour. For sending us those jests currently doing the rounds of the orthopaedic ward, he wins a Club T-shirt, knitted bedjacket and a bottle of Lucozade.

History tells us that London's first sperm bank was an unmitigated disaster. There were only two potential donors. One came on the bus and the other missed the tube.

How can you tell a real man?

He jogs home from his own vasectomy.

On a tour of a local hospital, the Health Minister came to a side ward bearing a sign saying, "Danger! Keep Out! Highly Contagious."

"My God!" exclaimed the Minister. "Whatever is wrong with the person in there?"

The sister accompanying him spoke quietly. "It's a very sad case, Minister," she said. "He has a combination of beri-beri, herpes and rabies."

"Good God, how on earth are you treating him?" asked the Minister.

"We've put him on a special diet of Jacobs Crackers, Ryvita and After Eight mints," the ministering angel replied.

"And does that help?" the Minister enquired, a little surprised.

"Not really," said the sister. "But they're the only things we can slide under the door."

Nicked Again!

On the principle that if we readers don't tell you what we like, then we can hardly complain if we don't get more of it, I am writing to ask, beg, threaten or whatever else is necessary to get more of Nicola from Vol 19 No 6. She has got to be the most beautiful and sexy model you have featured for as long as I can remember.

I only have one criticism - please can you get her to wear something a bit more feminine next time. A girl this gorgeous ought to be wearing (if anything at all) stiletto heels and lacy underwear, not climbing boots and a jumper. I'm sure I'm not the only man who would rather imagine her lying on my bed looking divine and in need of something more exciting than a good night's sleep after a tramp through the Cairngorms! - *Chris, Birmingham* ♣

In Vol 19 No 7, the Base Jumping photographs on pages 22-23 should have been credited to MGA/ D. Sharrock.

Student Nurse Nightly was taking her exams, and came to the final test, a set of questions put directly to her by the senior staff of a large hospital.

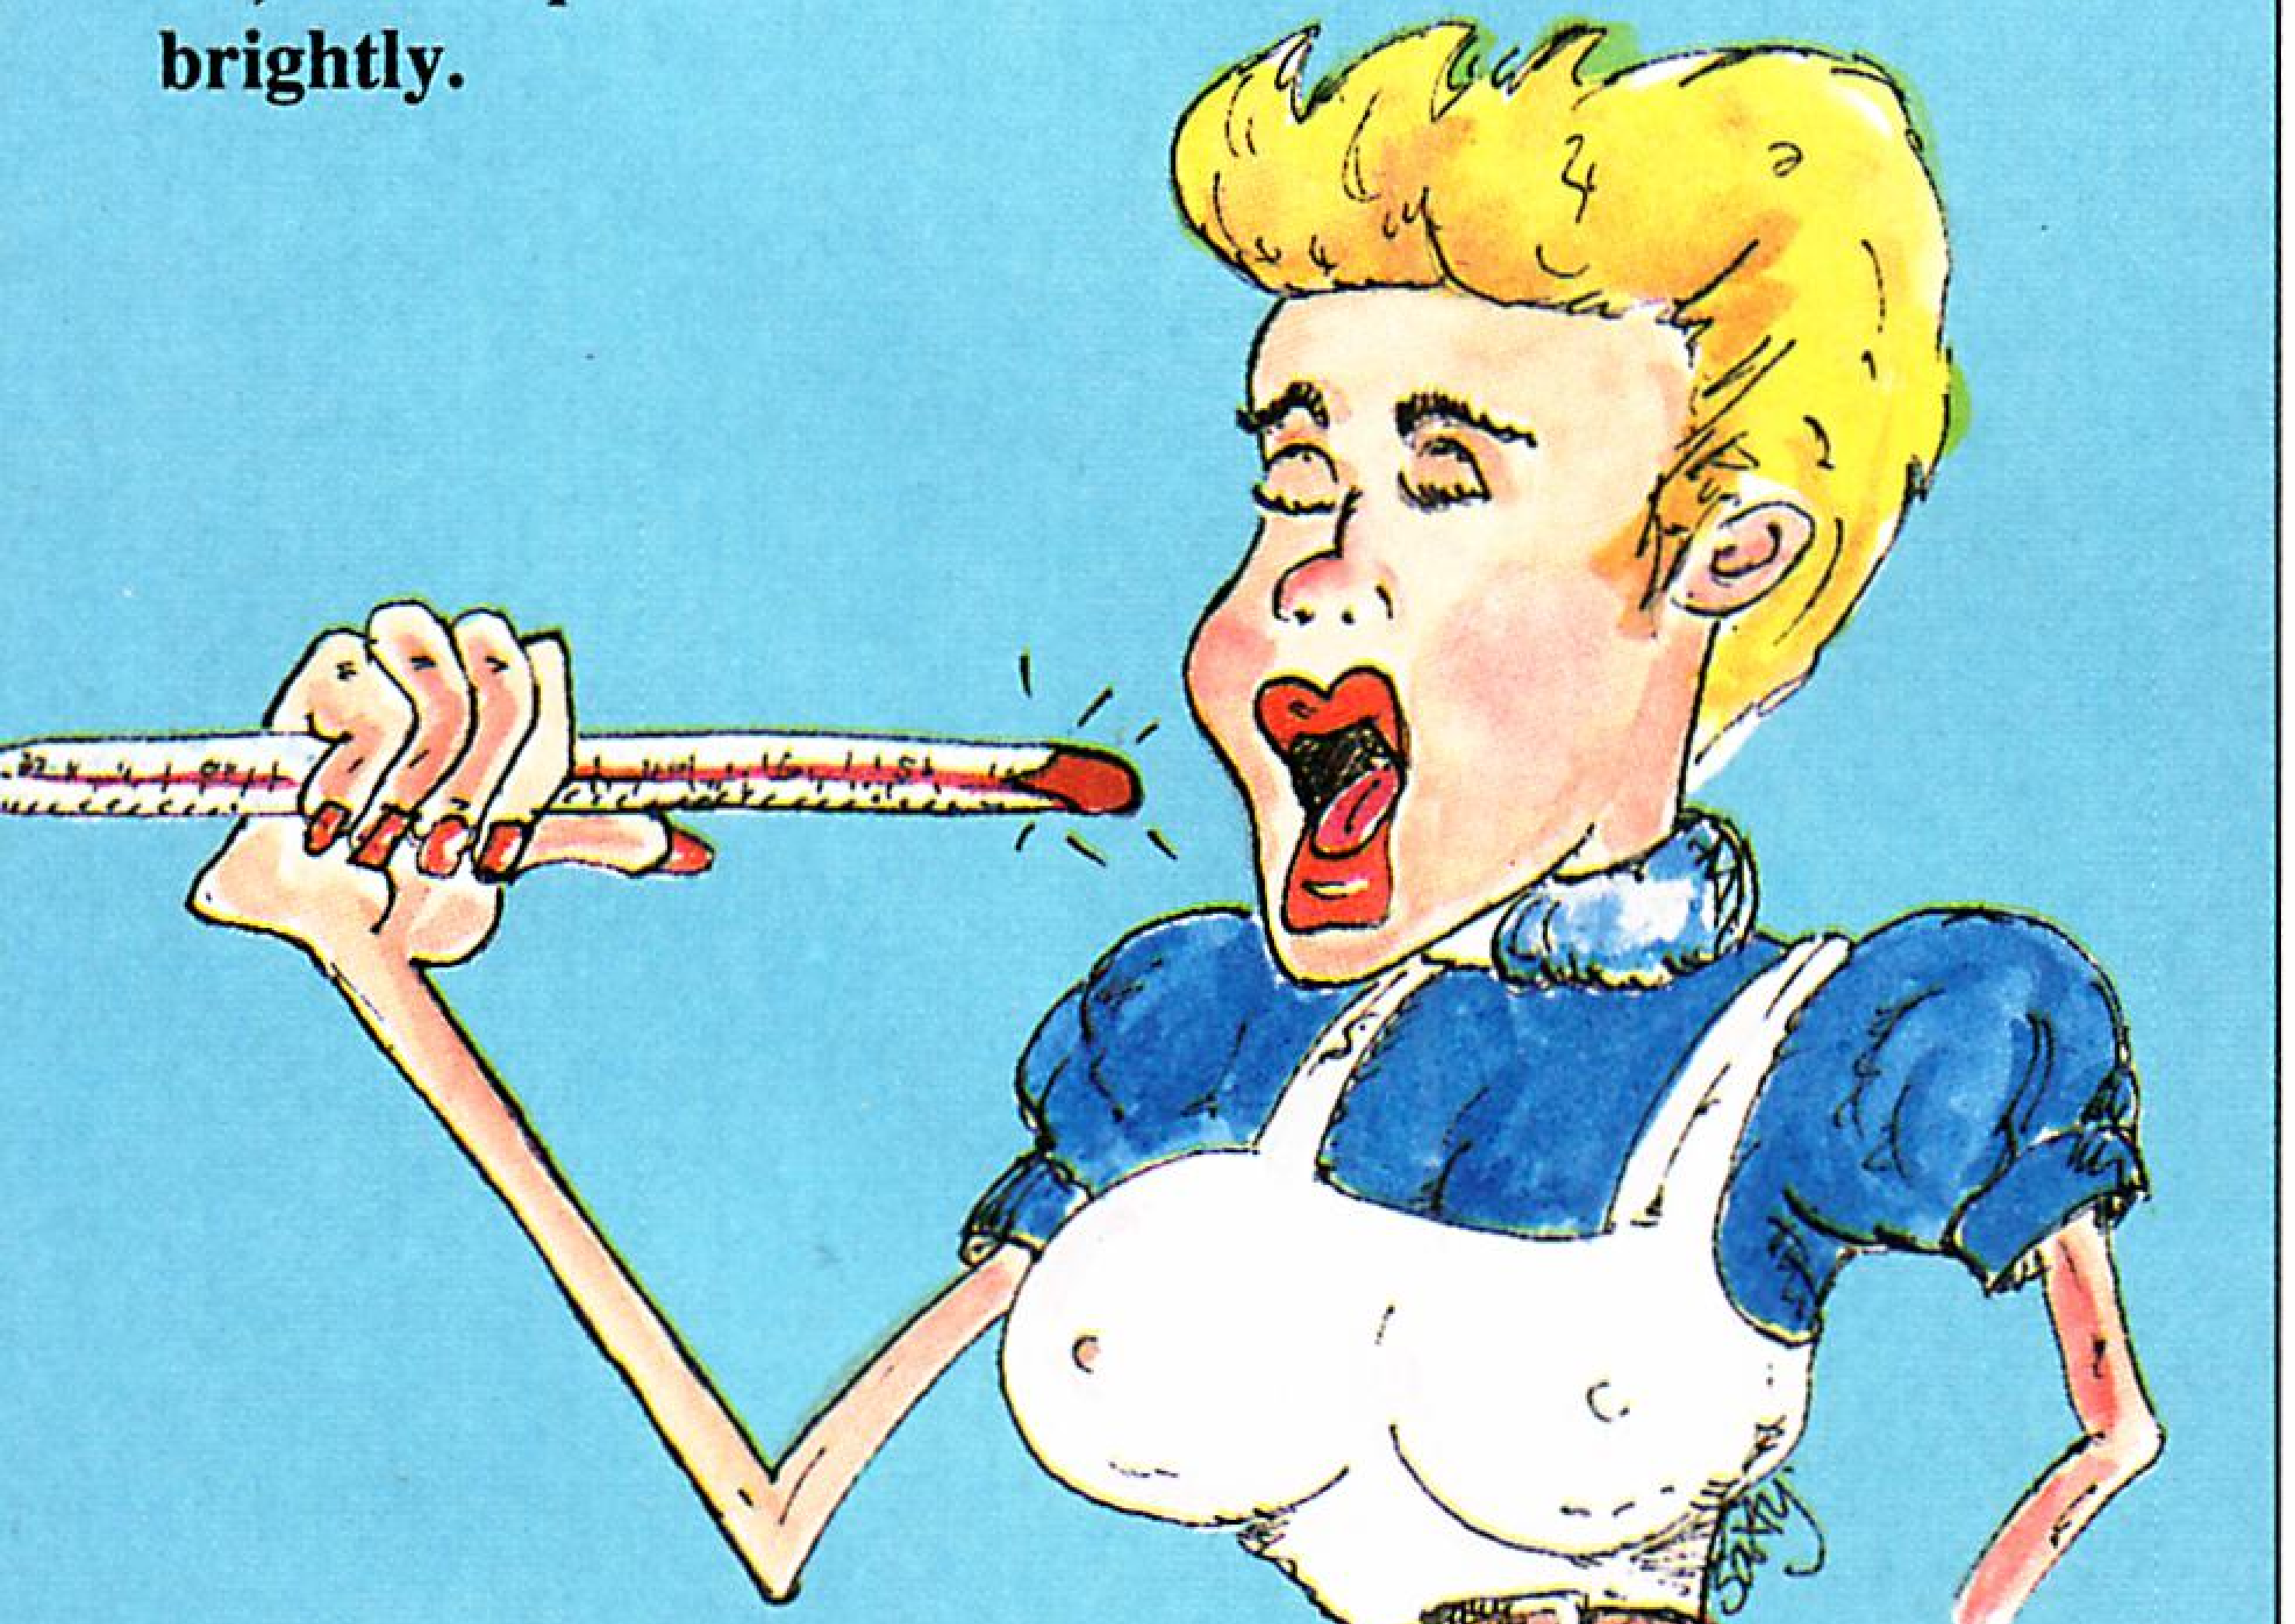
"Student Nurse Nightly," asked the examiner, "how do you tell an oral thermometer from a rectal thermometer?"

"They look different, sir," she replied brightly.

"Very good, but how could you tell if it's dark?"

The young nurse thought hard and finally came up with an idea. "Taste them, sir?"

Thanks, Bill. We hope you and your jokes get better very soon. ♣



IN ARREARS

'Allo, 'allo, 'allo. Inspector Rear on patrol. I've been called in for an in-depth investigation into a right slippery pair of nickers who've slid through police fingers. I've been told I've got till the end of the week to send them down. And, believe me, lads, I shall.

The reason they called for me is that I'm The Yard's expert on bum prints. It's a little known fact that the female bottom is just as identifiable as a fingerprint. No two are the same. So whenever a crime involving female cheeks crops up, I'm called in to handle it.

Having found the suspect bum, I take everything down that might be used in evidence. Then I dust the whole area and check whether the bottom matches any on our files. If it doesn't, then I arrange a Rump Identification Parade. Ladies are brought in off the street, asked to drop their panties, and are lined up in a row to see if the witness can recognise the butt in question. If he does, he simply pats the one he thinks he's seen. If not, an Identi-butt picture has to be circulated to the local papers.

The bum chummy above was discovered parked illegally on Constable Painting's face. Naturally, we brought it in at once, and I'm happy to say it came quietly. Currently it's in the interview room under the sun lamp, getting a good grilling.

Keep 'em peeled. - *Inspector Richard Rear* ♣

Tiffany, who's a 20-year-old from Los Angeles, is a lady who knows what she wants - and she makes sure she gets it!

"I guess I'm a little spoiled," she grinned when we questioned her about the tales of her wild love life that had filtered through to us from her home valley. "If I see a guy I want, I go and get him - no matter who he is! Even if a guy's with a girl, once our eyes make contact he's got no chance.

"Once I pulled this guy right from under his girlfriend's nose - and then I ended up going to bed with the girlfriend! It just shows that if you go for what you want, you'll usually end up with an extra bit on the side for good measure!" ♣

Where the girls get down to business

EXERCISE PLAN

I don't know about other lady readers, but exercise always makes me feel extremely horny. A couple of years ago, at the age of 30, I found myself getting a bit of thirtysomething spread, and wanting to get rid of it, I joined my local health club to do aerobics classes.

I'd never done any kind of exercise seriously before; I'd always stuck to doing the odd length of the local pool and thought I was being pretty healthy, but now I really found myself getting into it, and I began to go to classes three times a week.

Soon I was ready for the advanced classes, and here's where my confession begins.

The first night that I walked into the advanced class, I thought I'd never be able to stand the pace. There were only about ten other women there that night, all of whom looked horribly fit and were doing the routines without even puffing. I just stood at the back and followed the class, trying to make it look as if I was coping by copying the woman just in front of me. She was a tall, slim brunette with the longest and most perfect pair of legs I'd ever seen.

By the end of the class I was knackered, frankly, and all I could think about was getting a few drinks down my throat and crawling home. The woman in front of me started chatting as we got changed.

"You were doing pretty well for a beginner," she said, towelling herself dry from the shower, and I marvelled at the way her firm, smooth body didn't even wobble slightly as she moved. I grinned back at her.

"It'll be a long time before I'm as good at it as you," I replied, eyeing her legs enviously. If I felt some desire surfacing in me then, I didn't take any notice, but the way Anthea licked her lips as she smiled at me slowly struck me as a little odd.

"I'd say you were well on the way," she replied. The look in her eyes made me blush as she said that; I didn't know quite how to react. She continued staring at me as we got dressed and headed for the door.

"What're you doing now?" Anthea asked. "Fancy a quick drink?"

More than one drink later, it was last orders. We staggered out to her car in the car park, and the keys were in the ignition before she realized she'd had too much to drive home. We were debating where we could get a taxi when Anthea suddenly looked me right in the eyes and said, "You know, Maureen, I'd really like to fuck you."

Coming right out of the blue like that, there was nothing I could reply. I sat there not doing anything, just looking at Anthea, until she pulled me towards her and started kissing me. Her hands worked their way up my thighs and under my short skirt, and soon her fingers were fondling my eager cunt through my thin, cotton panties.

I felt a wet patch form on the gusset of my panties, and I knew that Anthea knew I was aroused. Her fingers massaged my slit through the knickers, and one finger worked its way up to my clitty. I arched towards her as she flicked on my sensitive little button. I knew I was going to have a climax like never before, the way I was trembling and little shivers were coursing through my pussy.

"Why not touch me too?" Anthea asked then, taking my hand and placing it right on to her cunt. I could feel how hot she was down there through her tracksuit trousers. The way she moved her pussy mound up to meet my hand, I knew she was no novice at making love to women, and she wanted me.

I had to tell her. "I've never done this to a woman before," I confessed. "I've never even thought about it."

"There's always a first

time," Anthea replied, moving one hand up under my blouse to caress my soft boobs. My nipples felt like acorns, they were so big and hard. I desperately wanted Anthea to suck them.

The next thing I knew, Anthea had reclined the seats in the front of the car, and was half kneeling, half lying over me, her mouth fastened on to one of my nipples, nicking and teasing it with her teeth and lips while her fingers worked their way past the barrier of my panties and into my soaking love hole.

I lost all my inhibitions then. Here we were in the pub car park, the windows rapidly steaming up as we breathed heavily, the suspension rocking, Anthea with her fingers in my cunt and frigging me off to a wonderful climax. I buried my hand deep inside her panties then, and pushed my fingers inside the most wonderful hot, tight, wet cunt I could ever have imagined. Anthea came almost straight away, she was so eager for it.

"I want to see you come," she panted to me, working her fingers hard over my clitty. I was still holding back a little, afraid of the implications of what I was doing. I think Anthea knew that, and she knew she had to bring me off herself.

Shifting in her seat, she moved so that she was crouching over my cunt, and with one movement she pulled my panties right down, pushed her tongue into my aching love hole and brought me off with frantic thrust after frantic thrust. I was almost screaming with the pleasure of it, holding Anthea's head to my cunt to prolong the orgasms.

I don't know how long we stayed in the car that night, but I've been meeting Anthea in secret for over two years now, and every time I think of her tongue lashing my cunt and clitty I have to frig myself to a climax. I'm doing that even as I write this. - *Maureen, Beaminster*

ON THE JOB

Act One, Scene Two

I'm one of those people who's been trying to break into big time acting for a while, though without much success. I went to one of the minor drama schools to be 'educated', as they called it (though all it really taught me in the later years was how to suck cock or masturbate without anyone seeing me do it), and I've got an agent and an Equity card; but mostly I have to content myself with walk-on parts in provincial productions or the occasional small bit part in an ad for TV. It's not a very glamorous life, believe me, although I *am* able to call myself an actress at the end of the day!

It's also severely limiting to one's love life, because whenever I'm called to audition I have to drop everything and go, wherever it is or whatever I'm doing, and if I get a bit part anywhere, it means working nights. I've managed to snatch the odd liaison here and there, but in recent years (I'm 25 now) I've not had a steady relationship for ages.

And like a lot of people that I know in the theatre, I'm bi. Although I'm outwardly heterosexual - and indeed, I've got a bit of a reputation as a goer, or so I'm told - since my early twenties when I was seduced by an older and rather butch female director, I've enjoyed going to bed with women too. To me, although I love being penetrated by a hot, hard, steamhammering cock, there's nothing that can quite beat a woman's touch - her tongue sliding up and down my moist slit or her knowing fingers rubbing up my clitty.

And I must admit too, that I've often used my blonde good looks to my own advantage. I stand almost six feet in my high heels, and while I'm quite slim and shapely, my boobs are pretty big, and I must say they've often been the focus of male attention at auditions and castings. And although I've never actually been the star of a casting couch session, I've come pretty close.

The reason I'm writing to you now is to tell you about something that happened to me when I actually got my last job. I was lucky enough to get a contract for a six week run in one of the West End theatres - I shan't say which, for fear of getting any of the management in trouble! - for a bit part in a farce. The annoying thing was that I had a small part in Act 1, and then had to wait right until the final act with nothing to do. That was fine as far as the rehearsals went, because it meant that I had very little to do except plot all my movements, but when it came down to the final runs before the show opened, when the whole cast has to be there whether they're needed or not, that was another matter. I was bored out of my mind.

We had a week of that, and

so because I was backstage and not needed for much of the time, I started chatting to the crew. Most of all, I started chatting to the woman who was the dresser for the lesser performers in the production.

I suppose she was about my age, though I've never found out exactly, and Tania and I got on amazingly well. She was like me, just doing any job she could in the theatre in the hope of getting a break. At the time, she was dating a much older theatrical agent, and he was proving pretty useful for getting contacts as well as contracts.

At first I thought it was just a bit of theatrical camp when I noticed that Tania touched me an awful lot. Most people in the theatre are a bit like that, very much "Oh, darling", but with Tania it was more than that. When she was giving me a costume fitting in the dressing room, she'd run her hands down the length of my thighs as she smoothed down the material, making my inner thighs tingle and my pussy moist; and when she helped me do my make-up, her hands would linger on the sensitive nape of my neck, sending shivers right down to my pubic mound. I'd had this happen to me before, so I knew it wasn't just my imagination. I was just waiting to see how long it would take the luscious Tania to move in on me.

It came after one of the last dress rehearsals. Because I was one of the last people on stage I'd had to stay late in any case, but I hadn't quite got my make-up right that night, so after everyone had started to leave, I stayed behind to try to get it right. The director had had a bit of a go at me about it in front of everyone, and I didn't want that to happen again.

I was sitting at the dressing room mirror, patiently trying to get my eye make-up right, when in the reflection I saw the door opening behind me and Tania stepped into the room. She was wearing a tightly clinging red dress which showed off her curvaceous figure to perfection, and underneath I could vaguely see the outline of a basque-bra and suspenders.

She smiled at me in the mirror as I paused, my hand in mid brushstroke. I'd no idea that she was still there; I thought she'd left the building ages before.

As if answering my thoughts, she said, "I thought I'd hang about and wait for you, Carly." Wait to see if she could get into my knickers, more like.

I grinned, and slipped my dressing gown further down my shoulders so that it showed off an awful lot of cleavage. I could see Tania's eyes widen as she saw the tips of my nipples almost being revealed, and the dark valley of my cleavage. I knew she wanted to lick all the way down there until she came to my dripping snatch.

And it was dripping by then too. The excitement of knowing that she had the hots for me, that she was aching in her cunt just as I was, was more than enough to get me wet. I could feel my juices seeping out of the material of my dressing gown and into the seat of the stool.

Tania came up behind me then, and she hovered as I started to wipe off my make-up. I could see that she was eyeing the way my nipples were clearly stiffening, and by the flush on her face I knew she was aroused. Very aroused. It was only a matter

of time before she couldn't stand the tension any longer and made her move, but I was determined that *she'd* be the one to make it.

She finally snapped when I stood up and threw off my robe nonchalantly before getting dressed into my street clothes. My big boobs bounced as I bent over right in front of her to pick up my bra, and as she stared at my naked arse (I could see the expression on her face in the mirror - it was classic), she couldn't resist putting out her hand and running it over one plump, firm cheek, right down my bum crack until she had her hand under my wet, hairy pussy.

I was very wet, I knew that, and her finger slipped in quite easily as I wriggled my hole to give her access to my pussy. I moaned as she started to move that finger in and out, occasionally working her nail softly along the inside of my pussy walls to heighten my pleasure. Standing up slightly, because the blood was rushing to my head, I gripped the back of a chair to balance myself, and felt my dangling boobs ache with the pleasure of having a woman's finger frigging me.

"Put two in," I asked her, spreading my legs even wider for her. "It's better for me that way."

Tania thrust another finger right into my cunt, causing a spray of juices all over her hand. I started humping my bum back and forward, really fucking her fingers, and my boobs swung wildly. I just hoped that the cleaners didn't start until the morning, or we'd be caught out.

Looking over my shoulder I could see Tania shrugging out of her dress with her other hand, to reveal a lovely black lacy bra and matching suspenders and G-string. The G-string was soaked with her own juices as she set to work on my pussy again, touching my clitty with her thumb as she worked her fingers in and out of me.

"Do yourself too," I urged her. "Don't hold back on my account."

The next minute her other hand was brushing up and down on her own clit, stoking up the pleasure for herself as she brought me off. I was was shuddering through more than a few comes now, my orgasms lasting longer and making me juicier each time. I couldn't stop myself from yelling how much she was turning me on, and begging her to frig me harder and faster.

Then I felt Tania's tongue between my legs, and as I bent down and looked through my spread thighs I could see her face buried into my muff, her eyes closed with an expression of ecstasy on her face as she tongued my soaking slit.

That was more than enough to send me over the edge, and I moved my hand on my clitty faster than ever to bring myself off to a really powerful climax. Tania had been frigging herself all that time, really working her clitty over hard, and as I came I could tell she was really building up to a massive orgasm. Her face was shining with the effort, and although she still stayed close to my muff, I don't really think she was aware that I was there as she came, groaning and panting so hard it sounded like she'd just run a marathon.

But it didn't stop there, much to my surprise - she carried on coming! Kneeling between my legs, inhaling my love juices, she was hornier than ever, and I watched amazed as she stroked up her clitty again, coming harder than ever, inhaling the tangy smell of my crotch.

I'd never met such a sexy girl, to be honest - I thought it was always the men who came quickly! I made up my mind then and there that I wasn't going to let Tania go that easily.

However, I thought it was about time we made a move out of there, as the management would be coming around to lock up any moment. Tania had a date with her older man boyfriend in any case, so we went our separate ways that night. We both knew what was going to happen the next night.

Mind you, I think Tania was a bit embarrassed at the abandoned way she'd behaved, because she seemed to be avoiding me the next day. But I knew she wouldn't be able to resist coming to see me in the dressing room after the rehearsal as she had the night before.

That night I was ready for

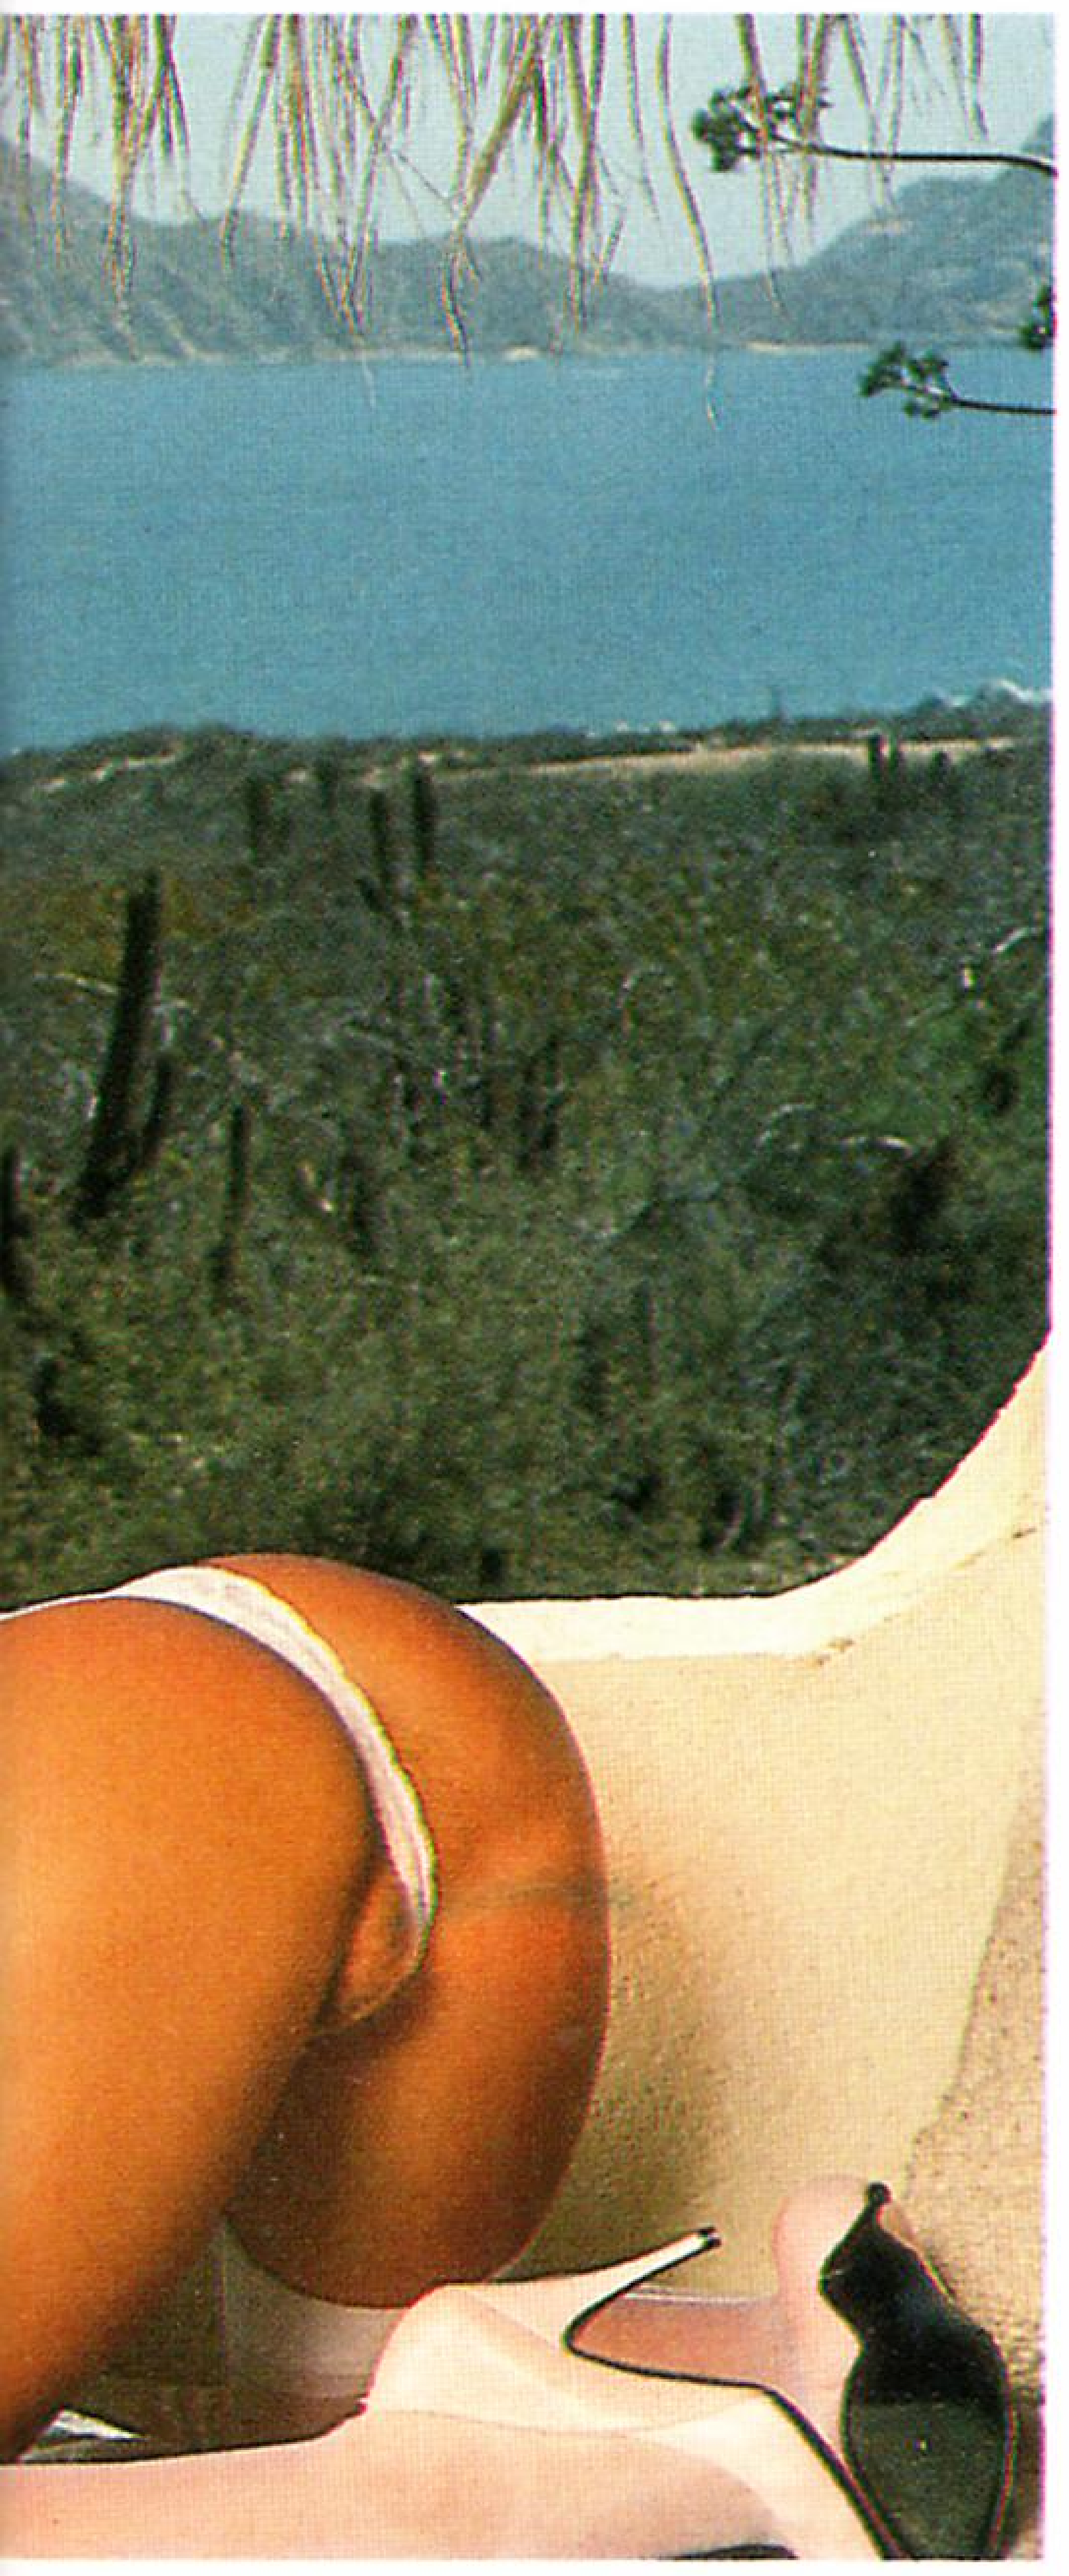
her though. When she turned the door handle after everyone had left and the building seemed empty, she found me sitting in front of the mirror, stark naked, waiting for her.

She stood at the door, a bold look on her face when she saw that I wanted to fuck her as much as she wanted me. "Hurry up," I said, turning to face her. "My pussy needs a thorough licking!"

She still didn't come into the room. "I've got a much better idea," she grinned. "I've been thinking about it - my knickers are wet just from thinking about it. Let's fuck on the stage. I've been dying to do that all day."

I was about to protest that someone might come in and see us, but I could see from the look on Tania's face that she didn't care about that - in fact, that was part of the attraction!

Without even stopping to let me get some clothes on, Tania grabbed my hand and pulled me out of the dressing room, up the stairs and on to the stage. The set was still there from the rehearsal earlier; it consisted of a painted backdrop depicting a sea view, and a stage set for a beach scene, with potted palm trees and sand. The theatre is quite a large one, and our voices echoed, it was so empty and silent.



Tania and I stood there holding hands, and then without any preliminaries she stepped forward and started kissing me hard, her tongue really searching into my mouth. She was wearing a tight black dress this time, and it was almost as if we were skin to skin as we stood there in the empty, gloomy theatre.

"Get undressed," I whispered, starting to tug at her dress as she ground her pussy mound against mine. I could feel that I was so wet between my legs, I could take as many fingers as she wanted to give me.

Instead she knelt down and pulled me down with her on to the centre of the stage. I was crouched above her as she played with my dangling boobs, taking first one and then the other into her mouth, sucking and nibbling the nipples until warm ripples of pleasure worked their way down to my cunt. Any minute now I was going to be dripping juice.

"You're so gorgeous, Carly," she breathed, taking my nipple out of her mouth for a moment. "Your boobs are just so... chewy!" She set about them again, licking harder this time. How did she know I love it when people pay attention to my boobs? Crouched over her, my body was trembling as I came, and I couldn't stop myself from sitting firmly on her face and grinding my cunt right into her lips so that she could lap up all my juices. My hips were really bucking as I came again and collapsed, panting, my breaths echoing around the empty auditorium.

I knew then that I had to taste Tania's pussy for the first time. Already I could smell her female juices, and so I rolled her out of her dress, which by now was around her waist where she'd pushed it in her haste for me to touch her.

"Suck my tits," she breathed, arching her back up to push them towards me, urging me to touch them. "Put them in your mouth and suck them."

I didn't need to be told twice, and grabbed one firmly between my palms, squeezing the soft flesh so that the nipple was poised just a few centimetres from my mouth.

"Now, now," Tania begged. She was desperate to feel my tongue rasping around her sensitive nipple, and when I touched the tip of it to her swollen teat just very lightly, I felt a great shudder go through her body and to my surprise she came, wetting her panties with her juices.

I love watching women come; it's such an erotic sight the way they let themselves go totally, and so when I saw Tania do that I started stroking my clitty as I crouched above her, while at the same time firmly attaching my mouth to her other boob, taking it right in and sucking it firmly under my tongue.

Tania writhed underneath me as my lips completed their suction job, arching her back up as high as it would go so that I had virtually all of one boob right in my mouth. All I could hear echoing all around me were Tania's groans of "Oooh, aah" as I nibbled the sensitive patches of skin under her tits, smelling her female scent. It just inflamed me even more.

Letting go of her boob for a moment, I worked my mouth all the way down her stomach, bypassing her pussy in favour of her inner thighs, which I nibbled and licked, feeling the tremors in them, and at the same time working her stockings free from her suspenders and sliding them down her legs. Her thighs were spread as wide as they could be now, her stockings crumpled around her ankles, her little knickers soaking and stuck to her cunt. I knelt up for a moment to take in the lovely sight of the wanton, willing Tania opening her legs for me.

"Eat me," she whispered. "I just want your tongue in my cunt." I knew that was what she'd wanted all along, of course, but I knew I could prolong the pleasure for both of us if I made her wait. So I kissed my way up her inside leg again, nibbling at the tender flesh, feeling the trembles coursing through Tania's body. She was murmuring all the time, telling me what I was doing to her in graphic detail.

"You're making me come, Carly. It feels like my pussy's going to burst. I'm so hot and wet down there, I can't stand it any more. I'm coming!" She came just as my nose nudged at the end of her soaking slit, juices dripping out. I lapped them up eagerly before burying my face into her muff for more. The moans she was making now were echoing right round the empty theatre, and they were soon joined by my own as I diddled with my clitty with one hand, and held Tania's pussy lips open with the other.

I don't know if any of the cast ever found out about our on-set romance, but it continued throughout the run of the play. Tania even wanted me to join in some threesomes with her and her older boyfriend, but I declined. I certainly didn't feel like sharing her lovely pussy with anyone!

I haven't seen her since the run ended a few weeks ago, but I keep hoping I'll bump into her again before long. The theatre is a pretty small world - that's why I've used my real name here and not my stage name, in case anyone puts two and two together! - *Carly, Guildford*

Couples Confess

Share and share alike! That's the idea of good group sex. And here in Couples Confess is where you share your dirtiest real life experiences with us.

Belatedly, I'm writing to thank you for publishing my last letter in *Talking Blue* - it appeared about two years ago now - and to explain why I haven't followed up my story since then.

The thing is, I've only just come back to the UK after spending the last year and a half working in Cyprus - which I suppose made a change from prudish old Sussex-by-Sea, though I can't really say I'd be in any mad rush to go back there. For one thing, I can't handle the heat. If you're slaving away in it all day on the reception desk of a respectable car-hire company, you can't wear shorts and a low cut singlet: it's cotton blouses and knee-length skirts all the way, for fear of offending the odd influential Turk - and bras were compulsory for the same reason.

Needless to say, I drew the line at wearing knickers. A girl's got to have some ventilation; so I wore no panties, and if I flapped my skirt around a bit now and then, circulating the air, I just about made it to the end of the day alive. At least I was never sacked for flagrant knickerlessness!

At the end of each day, I'd crawl back to my lodgings, the perspiration dripping down my arms, legs and back, but even then there was no escape, either from the heat or from marauding Cypriots. My aged landlady was always complaining about how I was always in the bath, or in the shower, or lying in the bath with the shower on, or washing my clothes: I used too much water, she said and the pipes in her sitting room made this clonking sound. Generally speaking, I'd listen and nod as she went moaning on, then grin broadly, shake her hand reassuringly and tell her to fuck off, which seemed to keep her happy enough. (Her English wasn't too hot.)

When she'd gone though, I'd embark on my evening ritual: I'd open the windows wide, close the curtains, strip off all my clothes and lie flat on my back on the cool linoleum flooring, legs spread as far as they'd go. The cold surface was always delicious against my naked body. After a few minutes I'd turn over, feeling the cool floor hard against my hot little breasts and bare stomach. My nipples would stiffen pretty quickly as a result - even quicker if I imagined myself sucking on a man's long, hard, slippery penis, peeling the foreskin right back and running my tongue round and round the rim, licking his testicles, squeezing his bare buttocks and then swallowing down his lovely hot semen.

When my nipples were as hard as little cobble-stones, I'd reach behind my back, pull my buttocks wide apart,

then run my fingers gently up and down the cleavage, until I had a sort of boiling feeling deep inside my vagina and my juices were seeping right out on to my cunt lips. Then I'd masturbate, lying naked on my back with my legs drawn up and spread apart, working two fingers in and out of my slippery lips faster and faster, pinching my hard little clitoris and imagining all sorts of filthy dirty things.

After four weeks, though, things took a turn for the better. And a good job too, as I'd almost gone ga-ga by then, what with all the heat and not having tasted semen or pushed my tongue deep up inside a sweet, hairy fanny for what seemed like an eternity. Out of the blue, there was a knock on my door one evening just after I'd come out of the shower. The door opened even before I'd replied (fortunately I had a towel around me) and my landlady entered, two other figures close behind her.

"You know these people?" she demanded, suspiciously. "They say they are your friends."

They *were* my friends, or one of them was: a girl named Josie, 25 years old like myself. I'd once shared a flat with her in London along with two other girls. She'd been tipped off by a mutual acquaintance that I was in Cyprus, so she'd stopped off to dig me out of my hole whilst in transit for India.

And now here she was, sprawling sideways across an armchair, all arms and legs, her long black hair piled up on her head untidily and wearing only skimpy black shorts, a black vest and a pair of long, dangly earrings.

"That old bitch thinks I'm a tramp, just 'cos I'm not wearing any shoes," she sniffed, lighting a fag. "Tell her to fuck off, Jennie."

I did, and then asked Josie about her male travelling companion, who was squatting on the floor by the wall next to the door, looking a bit uncomfortable. His name was Danni, she explained: a French-Malaysian from Paris with little or no English, a small private income from plantations back home, and a very long penis indeed.

Just looking at him almost made me wet myself: six feet tall, slim and well-muscled, wearing only a pair of white trousers and a pair of rope-soled shoes. The bulge between his squatting legs indicated where his big penis was lurking.

"Honestly," Josie went on, slithering down off the chair and crawling along the floor towards him on all fours, "you've really got to see this penis of his, Jennie. You won't believe it.

Still wrapped in my towel, I came up close and knelt down while Josie deftly unbuttoned Danni's fly. He lay flat on his back while she pulled his trousers roughly down to his knees. And there was his lovely big penis, beginning to swell, twitching slightly; seven inches long already without even being erect. His pubic hair had all been shaved off, his penis and balloon-like scrotum as smooth as silk.

"Going up," said Josie chirpily, briskly pulling his foreskin up and down over and over again with the thumb and forefinger of her other hand.

Danni's penis jerked about wildly when she let go, then swung upwards suddenly, dropped back down just as suddenly, then quickly began to fill with blood and grew stiff and swollen and unbelievably huge, till it stuck up like a great poker, hard as iron and at least ten inches long. Josie squeezed it at the root, pointing it up at right-angles to Danni's body. She blew very lightly on the very tip of his pulsing glens, then cupped his testicles with her left hand and kissed his flat, hairless stomach.

"Good boy," she said encouragingly. Then she told me to kiss the tip of his penis, which I did, leaning over his naked body and brushing his exquisite, hard erection very gently with my lips. In response, a little shiny droplet of pre-come oozed out. Josie rubbed it around with her fingertip, lubricating his glands. He moaned very faintly and closed his eyes.

Josie, still holding his big penis up straight, told me to get round behind her where she was kneeling, then told me to kiss her neck, which I did very tenderly indeed, resting my hands very lightly on her hips.

I pushed her vest up over her back to her shoulders, my hands shaking slightly, then

reached under her chest and briefly stroked her sweet, pink nipples for her with my fingertips and tugged her shorts down around her knees, revealing a pair of skimpy black thong panties stretched taut around her perspiring little buttocks. Inserting my thumbs under the side-straps, I started peeling them down her long thighs, my tongue beginning to lick away gently at the base of her spine and working slowly down between the firm little cheeks of her bare bottom, while Josie herself went on pumping Danni's erect penis with her fist.

"On second thoughts," she said, just as the flesh was beginning to twitch between my legs, "come round here, Jen." But by the time I'd got round to her front and Danni's lovely glistening prick, she seemed to have lost interest somehow.

Danni's penis had slapped back against his stomach when she let go; now she stood looking around the room inquisitively and smoothing out her vest. "You got a shower or something?"

When I nodded she replied, "Right then, give us your towel," - and with one quick motion of her right hand she stripped my bath-towel right off me, so I stood stark naked before her, my little breasts quivering and the muscles in my vagina clenching themselves tightly with the shock. She kissed me full on the mouth for about five seconds, then turned and took herself off to the shower.

I glanced across at Danni, still flat on his back, his penis just as stiff as before. He grinned slowly, looking my naked body up and down and feasting his eyes on my hard nipples and black, hairy triangle. Then he seized his delicious penis at the base, made it stand upright again and squeezed his shaft slightly with one fist.

No more able to resist his gorgeous cock than Josie was, I crossed over to him, straddled his naked body and squatted down over his genitals. For a few seconds I allowed him to rub the tip of his huge penis gently between my bare buttocks; then, easing my soft, slippery lips wide apart, I began lowering myself slowly onto the glistening tip.

Facing down his legs and taking the base of his shaft in my fingers, I began to squeeze his huge post up inside my tiny, tight pussy. It felt as if I were impaling myself slowly and deliciously on an enormous gatepost. I felt his hands on my bottom, pulling my buttocks wide apart and tickling me between them with a dark, slender finger. I gasped, brushed his gorgeous testicles with the knuckles of my left hand, then took a deep breath and began skewering myself on his awesome erection with a vengeance.

When I'd got about four inches of him up inside me and he'd just begun to squirm inside the deep, hot, hairy wetness of my vagina, Josie kicked the shower-room door open, ran in all wet and naked, her tits bouncing and juddering, snatched up a camera from her bag and snapped a photo of us as we copulated on the floor. It was there in full colour; Danni's great stiff penis penetrating me, my cunt lips splayed wide apart, my hard little tits almost as erect as their nipples - all of it immortalized on film.

"Beautiful," she said, winding the film on ready for the next shot. "But look, he is my boyfriend, you know. So come on, give him back - there's a good girl."

When Josie and Danni had both screwed and showered, they took me out for a drink, and told me the tale of their travels so far. Apparently they'd been on their way to India but had run out of funds by the time they'd got to Cairo. Danni had phoned a French friend in Port Said, who'd told him that if he and his lady friend could get to Cyprus, there'd be some cash-in-hand work to be had which was basically money for old rope. So they'd taken up the offer.

"What sort of work?" I asked, setting the glasses down on the table in a seedy bar. But Josie refused to tell me - yet, at any rate.

After that evening, I didn't see or hear anything of Josie and Danni for a fortnight. The heat and boredom began to get to me again, and I contemplated packing up and going back home. Day after endless day I sat perched on my stool at the airport, perspiration rolling off me, the heavy air failing to circulate around my now clean-shaven genitals as I fantasized about licking deep up inside Josie's vagina, or sucking on Danni's big penis - or any penis. I was desperate.

Then, after a fortnight, Josie rang me.

"Now, dear," she ordered. "Check your diary and see if you're free tonight." I was free as ever I was. "We'll pick you up at nine o'clock," she promised.

When they arrived, Josie was all dressed up - something I'd never seen before, nor imagined possible. A short red cocktail dress, legs slinky in red stockings, hair stacked up tidily on her head, high heels and a cheap bead necklace. Danni wore a white tuxedo and all the trimmings. I didn't know where we were going, but clad in T-shirt and jeans as I was, I felt a bit uncomfortable. Why the fancy dress?

The taxi took us the 20 miles to the edge of Nicosia, then turned off into the suburbs, finally drawing up outside a large white house with its own grounds, driveway and electric gates. Danni spoke briefly in French to a man on the door, then we were ushered in - initially being sheperded to a plain ground-floor room containing only a few chairs and a filing cabinet. A servant appeared with glasses of whisky, then disappeared again. Next, a middle-aged moustachioed Greek in a dinner-jacket stuck his head round the door, eyes twinkling merrily. He looked expectantly at Josie and Danni, rubbed his hands, beamed happily, then left. Danni and Josie followed him out and I trailed along behind them, until the Greek motioned me not to go with them, but to go through a glass door instead.

I did as asked, and found myself in a large rectangular room, full of people and chairs and, above all, noise. Someone pressed a drink into my hand, then a hush fell over the crowd and everyone sat down. Only then did I realise that the chairs were arranged to encircle a small central area about ten feet across and almost entirely occupied by a large, padded, leather-upholstered couch.

The Greek with the moustache entered via a door at the other end of the room, noticed me standing alone by the wall and beckoned me to join him as he forced his way between the chairs towards the centre of the ring. Then all fell silent, and suddenly there were Josie and Danni pushing their way through the assembly towards the very centre.

Everything is a bit of a blur after that. I remember Josie and Danni standing by the couch, all eyes on them, and Josie stripping him, then him standing stark naked before her, his penis swelling and wavering from side to side.

A gasp went round the room as Danni's huge cock began to grow, and people craned their necks to get a better view. One moment Josie was down on her knees, licking and lapping at Danni's testicles while his penis waved about and

GUILTY ON 7 COUNTS

ESV INTERNATIONAL CORPORATION
2A PERCY ROAD, LEYTONSTONE, LONDON E11 1SJ

Hello My Friends

Yes, that's right, I am Guilty on all seven counts of giving **value for money** to my customers. Now I have moved into the UK from Denmark and have brought huge stocks of explicit sex videos with me. Don't confuse these explicit hard-sex action videos with the usual British rip-off rubbish. Let me assure you that these videos contain only genuine explicit hard-sex action which can no way be mistaken for your English videos. Because of old fashioned Britain's Censorship Laws and my explicit titles, I prefer you to order each video by its code number. I am sure you will be happier with full action content rather than an impressive title! So my friends (and we will remain friends when you see my quality and explicit action films) just make your choice and buy with confidence. Please check the bulk offers, as I can give a huge discount on two or more videos — the more you buy, the cheaper I can sell to you. Hoping we have much business in the future.

If you thought that Jessica's face seemed a little familiar, then you'd be absolutely right - she made her Club debut over two years ago.

It's been an awfully long time since we saw those big, come-to-bed eyes and that famous Mohican pussy in the flesh - but it's even longer since Jessica did any nude modelling. We'll let her tell you why.

"You know what happened after I appeared in Club?" she told us. "This really horny, wealthy guy contacted me and

I started dating him. Eventually he proposed to me, and I accepted. We'd been engaged a couple of years and everything was wonderful; he was fantastic in bed, and could afford to keep me in just the style I was accustomed to.

"But then we started to plan for our wedding, and that's where the problem started. He wanted me to give up modelling nude! He couldn't stand the idea of other guys looking at my bare tits and pussy, he said.

"No way - I'm such an exhibitionist that I couldn't bear the idea of not flaunting myself for other blokes to get excited over. It was either him or the modelling - so I chose the modelling. Reckon I made the right decision?" ♣

COMING IN club

BEACH BUMMED!

Yes, yes, we know it's autumn and soon the nights will be drawing in, and there won't be tasty bits of tottie strolling about half undressed outside the office any more - but here's a girl to warm the cockles of your trousers in those chilly months to come. Shelley has a lush tush, tremendous tits and a smile that'll melt your underpants - and that's before she's even taken those bikini bottoms off. So get your nose into the next issue of Club, where you may discover something to your advantage...♣

IT'S AN UNDERPANTS MELTDOWN!

Couples Confess

continued from page 69

jerked: next she was standing behind him, reaching round him and holding his scrotum in one hand whilst waggling his penis around wildly with the other. Then they were up on the couch, Josie standing up, Danni kneeling in front of her, unfastening her suspenders and then peeling her stockings and skimpy little knickers down her long thighs while she pulled her red cocktail dress high up under her arms and massaged her quivering tits between her nails. Then as Danni stood up, Josie brazenly tossed her dress and suspender belt out into the audience and they stood stark naked.

After that, the images come thick and fast: Josie squatted over his face, rubbing her wet cunt lips against his nose and mouth whilst leaning forward and pumping his hard penis vigorously with one fist: Josie on her back with Danni on all fours over her, facing the other way so that he could lick her sweet cunt hungrily and she could lodge the head of his big penis in her mouth; Josie on her stomach being fucked from behind, so that her soft, bare buttocks rippled with every stroke.

And finally Danni squatted on Josie's face. Looking down the length of her pale, naked body, he let his testicles dangle over her mouth and chin, while her hands reached up around his thighs and pumped his penis frantically up and down, her lovely tits wobbling from side to side with the effort. In the pin-drop silence of the room, Danni gasped and a great dribble of thick white semen came drooling out of his penis on to her chest.

I'll probably never quite understand what came over me at that point. I stood up, scooped up a mass of warm semen from around Josie's navel, then thrust my hand up between Danni's thighs and began massaging the spunk into the skin of his dangling penis and scrotum. He groaned as I squeezed and clutched at his balls with my right hand, and he began to wank himself up and down, still licking at Josie's pussy while Josie herself went on squeezing her tits and pinching her nipples.

Then Josie opened her eyes, saw where I was and what I was doing and smiled in a gleefully dirty way she has. In about ten seconds I'd stripped myself totally naked and was standing to my full height on the couch, two of my fingers between my legs, while the audience burst into a roar of applause. And then I was on all fours on top of Josie, licking the delicious warm semen off her stomach before working my tongue deep down into her vagina.

But then I got a real surprise. As I crouched there, I felt that huge brute of a penis inch its way up me doggy-style, and beat away inside me over and over again until, at the very last moment, when I thought my vagina might literally be about to split at the sides, Danni pulled out of me and squirted great bursts of hot spunk between my naked buttocks and all over Josie's pretty face below.

It was a fantastic experience - and in the taxi on the way back to Larnaca, Josie offered me a slice of the thousand pounds they'd been paid for the show, but I declined. They'd done it twice before, apparently, and if and when they repeated their act, I've no idea. I didn't see them again, and the next I heard from them was a postcard from India.

And as for the last 16 of my 18 months in Cyprus?

I had *two* sex-lives, in fact: one with a Greek boy of my own age (if his stiff penis wasn't quite as big as Danni's, at least his semen was just as hot and tasted just as good and salty); and one with a tall, willowy American lady in her thirties, to whose beautiful house I escaped as often as I could, and whose knickers I plundered just as frequently. She had the biggest clitoris and the hairiest vagina I've ever seen. Terrific! - *Jennie, West Sussex* ♣

FINAL SCORE

And with 20 things you'd never believe about women's private parts, here's our special correspondent **Anton Liar**.

1. Women's bits were first discovered by the famous Czech scientist Miroslav Slavoslavoslav in 1863.

2. Julius Caesar was a well known fan of women's bits. On his first sighting of a labia majora, he coined the famous phrase *Veni, vidi, vici* (Fuck me, look at that!).

3. During arousal, women's bits can produce over three pints of fluid, which can prove rather messy.

4. The above fluids are said to make an excellent underarm deodorant.

5. It's said that love lips closely resemble doner kebabs, but the taste (with or without chilli sauce) has yet to be confirmed.

6. The muscle power of the average vagina is equivalent to the pressure of eleven coconuts crushers in an average Jamaican processing plant.

7. With reference to the above, the *Guinness Book Of Fanny Records* notes a case of a vagina so strong that it was a champion arm wrestler.

8. The average female sexual organ weighs a third of a ton - or three tons if you happen to be an Eastern Bloc shot putter.

9. One cup of human breast milk contains more protein than 36 Big Macs.

10. A case is recorded of 94 inch breasts on a woman of five feet three inches in height.

11. We were going to feature the above lady in Club, but then we remembered that we made her up.

12. Contrary to popular myth, boobs are not the most popular female erogenous zone. In many women, the sex organs are situated in the small of the back, which is why they writhe around during sex.

13. In the late 70s NASA tried to use pussy juice as rocket fuel, after discovering that Texan women's juices have explosive qualities. The plan failed because of production difficulties.
